FAQ :

Q: How to choose the size of the tent?

A: The size depends on how many people you want to stand, sit or have dinner in this tent. And the size also depends on the land space you will put up this tent. Normally, we advise 1-1.5sq.m/person.

Q: What is the warranty and safety of your tents?

A: Our tent is made by European standards and we own the CE/SGS quality management system certificate. Besides, we can design your tents with the emergency door and exit & panic lights to make sure the safety when have an emergency situation.

Q: Can you print our logos on the tent?

A: Yes. Customized logos can be printed on the tent fabric according to your requirements.

Q: Can TheTent Structure be Relocated?

A: All of our tent structures is designed into relocatable construction. For the seasonal and regional using, you can dismantle, store or remove the tent to any location. Also, our tent structures are allowed to be permanent building as sports center, industrial warehouse or exhibition hall.

Q: What Kinds of Structures Will I Get From Tendars?

A: All of our structures are made with hard-pressed aluminum alloy frame and totally waterproof PVC membrane. In addition, the tent structure is designed into clear span (without any interior column) and modular construction. Such kinds of structures will create the whole interior space for any occasion with a rapid installation.
