#### Advantage:

PE Tarpaulin material

Marquees made with this material are high strength and waterproof whilst being a lot lighter and easier to set up than other's in the range. We recommend our PE marquees for smaller and shorter duration events and are ideally suited to occasional use.

Benefits of PE tarpaulin marquees:

Easier to clean and remove from your garden

Due to the PE marquees being significantly lighter than our PVC products it's easier to move and takes up less storage

Fantastic value for money and will suit most budgets

Suitable for all types of weather

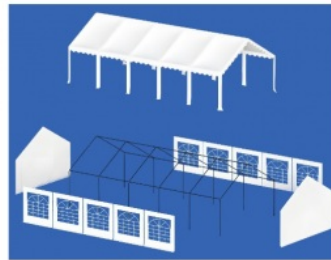

Waterproof and UV resistant
