Outdoor Tent Use Scenarios :

We also have a large number of high-quality party tent cases. Among them, there must be a tent you need for the following scenarios:

- 1, planning a large exhibition must have a unique shape and a low enough budget tent. Common herringbone white PVC fabric top tent is the choice of most people, and the rental price is really low enough.
- 2, need to set up in a pleasant backyard to accommodate 100 people party space. You can choose an arch tent, round tent, or polygon tent, there are a variety of choices in appearance, and roof shape.
- 3,Are facing a lack of space and urgently need to expand the space to provide shelter space for people and things. It can be a warehouse, store, church, etc.

Multi-Functional Accessories :

Frame struts: hard-pressed extruded aluminum 6061/T6(15HW)
 Fabric cover: high quality double PVC-coated polyester textile; 100% waterproof; flame retardant to DIN4102 B1, M2, CFM; UV resistant, tear-resistant, self-cleaning ability, etc
 Connector: strong hot-dip galvanized steel
 Allowed temperature condition: -30 degree Celsius +70 degree Celsius
 Wind load: max. 100km/h
 Snow load: 75kg/sqm (snow can't stay if use big degree roof pitch design)
 Easy to assemble and disassemble
 No pole inside, and 100% available interior space
