#### Why choose tent ?

Large warehouse - economic flexibility:

1. Can make full use of the spare land in the factory to meet the temporary space needs at any time and anywhere;
2. Save 50% construction cost compared with traditional buildings;
3. Light buildings adapt to various foundation environments and reduce foundation treatment costs
4. Reduce initial investment, improve capital operation efficiency, and realize asset-light operation of enterprises;
5. Lower maintenance cost and higher output value;
6. Ensure repeated use, free disassembly, transportation and reloading after disassembly is very convenient, almost no loss;
7. Effectively reduce the cost and time cost of transportation, storage, secondary damage of the leased warehouse;

**How to choose the material for wall of the tent?**

If you want to be economical and convenient, you can also open or close the wall at any time after installation can choose PVC wall,

if you need transparent high-end beautiful glass wall,

if you need heat resistance and corrosion resistance you can choose ABS color steel wall,

if you need insulation and sound insulation you can choose rock wool sandwich panel wall,

If you need good seismic durability, you can choose a single-layer color steel wall, and the material is diversified, which can be selected according to your needs

**FAQ :**

**Q: Are you trading company or manufacturer ?**

A: We are factory. Manufacture tent for 10 years in China ,

**Q: How long is your delivery time?**

A: Generally it is 5-10 days if the goods are in stock. or it is 15-20 days if the goods are not in stock, it is according to quantity.
