WM-60	60m/197"	5m/16.4"	4m	13.5m	18"	100

Length could be increased/decreased by 3m/5m bay, customized size is available

#### Features:

1. Mobility, flexibility, without loss of security, can be expanded or reduced according to the needs of enterprises, convenient dismantling;
- 2.Strong adaptability, not very high requirements for the environment, the general ground can be built, even ordinary grass, cement can be built;
3. Good lighting, can save the cost of power consumption. The general warehouse tent is mainly built by aluminum alloy frame equipped with tarpaulin, and tarpaulin has good light transmission, and you can see it without lighting during the day.
4. It has a good thermal insulation effect, and can generally play a heat insulation effect on the stored items.

### Why choose outdoor storagetent?

- 1, The space utilization of the outdoor storage tent can reach 100%, and any location can be used.
- 2, Comfortable and bright the outdoor storage tent can use large skylights with different diameters in lighting (warehouse tent size area is different, skylight diameter is different)
- 3, The outdoor storage tent have reached the national quality standards and environmental standards.
- 4, Strong and durable outdoor storage tent is specially designed hot dip galvanized water pipe for 10 years without rust.
- 5, Beautiful and simple according to customer needs, all can be customized , and the color is optional.
- 6, Easy to disassemble folding awning with steel frame structure, simple structure, easy assembly and use, easy packaging and transportation
- 7, Low price outdoor storage tent size is different, the price is also different, reduce your cost, increase the working capital.

### FAQ:

**Q1.Does your company accept customized tent?**

A:Yes, we can make the tent according to our customers different need.

**Q2.Does your company is a factory?**

A:Yes, we are a factory, so our price is really reasonable, but with high quality.

**Q3. Does your company provide any help to install the tent?**

A:Yes, usually we will send manul instruction and CD to help our customers to install the tent.

**Q4. Does your tent can move to the other place after set up?**

A:Yes, the main frame of our tent is aluminum, so it is light in weight but with high strength, that is very easy to set up and dismantle.
