- 5>.All fabric are waterproof,flame retardant ,fadeproof,rotproof and UV protection.sewing more strengthen.
- 6>.The imprint are environment friend,are Aoe-free.
- 7>If quality complaint happens,we'll compensate it.

#### Advantages:

The design of the tent is simple, convenient to build and disassemble, and the installation of the big supermarket tent takes only 5 days, without site restrictions.

- ▲ The supermarket tent is almost the same as the concrete building supermarket indoor space, without any pillar obstacles, and the advantage of large indoor space.
- ▲ The wall of the supermarket has the choice of tarpaulin, glass and ABS, which enhances the overall beauty and grade of the supermarket.
- ▲ Service life of more than 30 years, tarpaulin has the function of self-cleaning, wind and rain.
- ▲ Light weight, mobile or recycling, strong resistance, as a prefabricated environmental protection tent,
- ▲ indoor complete, you can install air conditioning, lamps, chandeliers, cargo shelves, etc., and other safety facilities. Manufacturers provide a variety of different shapes of the tent, can be suitable for different applications, however, the utility of the supermarket tent is to save construction costs for businesses, but also to fully show is a comprehensive supermarket.
