Star tent hotel modeling has the following types:

1, spherical star tent hotel

The cost of this tent hotel is more close to the people, a 6-meter ball with an area of 28 square meters, can be a transparent tarpaulin wall, or a translucent semi-white tarpaulin wall, can be equipped with intelligent electric glass Windows and electric stargazing skylight, and can also be 360o viewing. Set up for the perfect unique starry night homestay.

2, glass wall tent hotel Transparent glass wall tent hotel highlights the luxury grade, easy to be in the environment as the primary attraction, but also cleverly integrated into the environment, improve the overall beauty. The fully transparent glass wall tent hotel is convenient to look at the stars in the outside sky and see the scenery outside, so lying under the stars in such an environment, even the air becomes different. Looking at the two rocking chairs at the entrance of the Starry Tent hotel, you can think of the happy time of counting thousands of stars together with your loved ones at night. In such a home stay, you can have a long talk with friends.

3, wooden tent hotel Tent hotel space has a high-level sense of light luxury, indoor air conditioning, floor heating and 24 hours of hot water, and there are comfortable mattresses, skin-friendly quilts, warm colors, and exquisite space decoration. High appearance level light luxury tent allows people to zero contact with nature, to meet your needs for wild luxury quality life. And sit at the door and enjoy the stars in the sky, relaxing travel can make you linger forever.
