The main advantages of a wedding party tent :

In daily life, private birthday or graduation party, the venue is generally not limited, so that the party tent can be sent Handy, set up the party tent, and when they step into your party tent, it's like being in a spacious hall or function room The feeling. The interior of the tent roof in the party tent will attract the eye of guests and make your party atmosphere more intense.

If your event is during the daytime in winter, you will benefit from the transparent PVC canopy, the entire roof will absorb a lot of self However, the light that illuminates your party space, if the PVC Windows on both sides can be opened up a little, breathe more fresh air, If the weather is sunny and it is too hot inside, having such a large entrance helps with ventilation.

Maximize the interior space of the party tent

The freedom of the party canopy space can completely create a unique party that can be on the grass, by the sea, in a private villa, even As for the wild. There are no pillars inside the party tent, which will be the maximum amount of arbitrary layout for your event, such as furniture, Fixtures, decorations, flowers. If you need to host a musical party, you can also set up band or DJ equipment, Or set up a dance floor in the party tent room, the party tent can make full use of the space, completely without asking Topic.

Professional party shelter

The interior of the party tent does not need any support, giving party designers and planners a blank canvas that can be free play, in terms of space layout, can be divided into the bar area, singing and dancing area, makeup area, dining area, party tent room. Furniture that can be placed where you want, some party canopies are also easily designed by professional lighting designers, just like in a nightclub, disco lights and smoke FX feel.

Party tents can be purchased or rented, and other professional AIDs can also be consulted by event companies, such as stage lights, light, sound amplification system, video display, if you want to consider more comprehensive, you can also set up some sofas next to the drinking area.

As a relaxation area, you can also set up a children's play area for young guests to play.

Party tent planning and project management

According to your needs, the size of the party tent has different sizes, according to how many people you want to accommodate to calculate, generally one

People occupy 1.5 square meters, it is recommended that you find a professional party tent rental company, or be able to provide the whole event planning and management

Reason is the best. However, to host a party, the tent needs to use the key consideration part of finding third party entertainment equipment that can be passed through the tent

Companies and events companies work together to build and organize your parties and events, as you, don't need to think too much, just focus on you

When choosing what to wear to a party, think about which friends or relatives you want to invite to your party.
