The main advantages of a wedding party tent :

The tent, a movable environment, is widely used in various activities. The disassembly of the tent is flexible, convenient transportation, beautiful and generous.

Mainly suitable for industrial warehousing, logistics distribution, all kinds of outdoor exhibitions, sports events, tourism and leisure, business parties, celebrations

Sports, business promotion, military use and disaster relief and other temporary activities. Tent house is a new type of outdoor activity

When building, is an application of tarpaulin, due to flexible disassembly, storage and transportation, known as "mobile property." It is

Widely used in professional exhibitions, fairs, celebration parties, outdoor weddings, sports activities, festival activities

(Music festivals, beer festivals, food festivals...) Temporary warehouse, workshop, temporary construction, exhibition tent, construction tent

Housing, emergency relief... The tent is a new concept for the international masses, and it has gradually emerged in recent years

In People's Daily outdoor activities, such as outdoor exhibition ---- tent is an extension of the exhibition hall; Outdoor celebration, household

Foreign wedding, necessary for the festival promotion. It is composed of a base movable frame and tarpaulin, and the frame generally has

Alloy and steel as the main components, disassembly is very sensitive and convenient, convenient storage, with small volume, easy to transport and other characteristics.

Tarpaulin is a very main component of the tent, its quality directly affects the safety of the part of the tent, but also with the activity

Safety is closely related, because the choice of high quality tarpaulin is very important. The canopy is different from the traditional building three

Big elements: A, safe and stable, solemn and elegant, natural resistance to a variety of harsh environments B, superior

Combined features, stretching unlimited space C, flexible assembly and disassembly, fast transportation, convenient storage
