Background and significance :

Hold a good exhibition or product exhibition, can play many roles, such as timely guide procurement; Stimulate the desire to buy, expand product demand; Highlight product characteristics, establish product image; Maintain market share, Consolidate market position and so on. Now, in many large events will be applied to the exhibition tent, such as doing An activity will first be applied to the exhibition tent, set up an exhibition tent at the site of the activity, This exhibition tent can not only prevent ultraviolet radiation, but also prevent wind and rain from coming, ensuring that the activity can be like Time is like quality.

Exhibition canopies are not just used at an event, most are used to protect against UV rays

On, in front of some shops selling electric cars and cars can also see the existence of exhibition tents, units combined

The structure, the length is determined by the demand, can be spliced arbitrarily, plus there is no column inside the tent, and the space rate is 100%

The rate enables the exhibition area to make full use of every inch of space, and the atmospheric space is more conducive to exhibitors and attendees

Feel as present as any indoor exhibition hall.

The exhibition tent is relatively large, it is made of several supporting poles around the perimeter plus cloth, in a lot of

In this case, this kind of exhibition tent can not be operated by a person, and an experienced construction team is needed to finish

Agreed. The construction project needs to be meticulous and rigorous, and the materials and structures used have high integrity and safety

The structure has been built to strict European standards, and the overall structure has been subjected to wind and damage tests by professional organizations

Try.

The function of the exhibition tent should be to make a good publicity window for the promotion of an activity.

Can also add an activity to promote the surrounding environment, or a good exhibition display props, this prop

The eye-catching image will allow customers to see at a distance at a glance, showing the eye-catching shape of the tent

State also has an indispensable position in the exhibition display equipment.

Under this kind of exhibition tent can provide customers with a good rest space, when customers want to rest

When you can pay attention to what you want to promote, it is also a better means of publicity.

It can not only bring customers a good rest space but also promote their own products.

When everyone walks on the street and sees an exhibition tent, they will wonder what kind of activities they are doing again

Look at the LOGO on the tent can clearly understand the name of the company and the advertised goods, relatively speaking

This kind of display tent can not only promote the image of an enterprise, but also promote the excellent characteristics of the goods

Promote the promotion efficiency of goods and the sales volume of goods.
