Here is a general usage process for setting up and utilizing outdoor party marquee tents:

Selecting a Suitable Location:

Choose a flat and stable area large enough to accommodate the size of the marquee tent.
Ensure there are no obstacles or hazards in the vicinity, such as trees, rocks, or uneven terrain.

Preparing the Ground:

Clear the area of any debris, rocks, or sharp objects that could damage the tent or its occupants.
Consider using ground coverings or protective flooring if the ground is soft or prone to moisture.

Unpacking and Assembling the Tent:

Unpack the components of the marquee tent and lay them out in the assembly area.
Follow the manufacturer's instructions or assembly guide to erect the frame of the tent.
Secure the frame in place using stakes, weights, or anchoring systems to prevent movement or instability.

Installing the Canopy or Cover:

Once the frame is assembled, attach the canopy or cover to the frame according to the manufacturer's instructions.
Ensure the canopy is stretched taut and evenly distributed to minimize wrinkles or sagging.

Adding Accessories and Features:

Customize the tent with optional features such as sidewalls, windows, doors, lighting, heating, or cooling systems, depending on the event's requirements.
Install any additional accessories, such as flooring, furniture, decorations, or signage, to enhance the ambiance and functionality of the space.

Furnishing and Decorating the Interior:

Set up tables, chairs, and seating arrangements to accommodate guests comfortably.
Arrange decor elements such as table linens, centerpieces, drapery, banners, and thematic accents to suit the event's theme or purpose.

Testing and Inspecting:

Conduct a thorough inspection of the tent structure, canopy, and accessories to ensure everything is securely fastened and functioning correctly.
Test any electrical or mechanical equipment, such as lighting or heating systems, to verify proper operation and safety compliance.

Operating and Managing the Event:

Open the tent to guests and attendees, welcoming them to the event space.
Assign staff or volunteers to manage guest arrivals, seating, food and beverage service, entertainment, and other event logistics.
Monitor the tent throughout the event to address any issues, adjust amenities, or make accommodations as needed.

Dismantling and Packing Up:

Once the event concludes, dismantle the tent structure and accessories following the manufacturer's instructions.
Clean and inspect all components for damage, wear, or maintenance requirements.
Pack the tent and accessories into storage containers or bags for transport and future use.

FAQ :

1.Can you print our logos on the tent?

Yes. Customized logos can be printed on the tent fabric according to your requirements.

2. Does your tent be able to install repeatedly?

Our tents can be assembled and dismantled and repeatedly with small transportation distance. The lifespan of aluminum framework can reach 15-20years, and 5-8 years for PVC fabrics depending on different conditions of usage.

3.What documents are available?

A full range documents drawings,packing lists, installations manual and relatives certificates can be provided.Customs declaration is provided. We provided one-stop service for you.

4.Is your tent strong and stable enough? How about the wind loading?

Yes.The main frameworks(upright support and roof beam) are manufactured with high impact extruded anodized aluminum(6061/T6).So our tent structure is safe and strong and can be resist wind speed up to 100 km/hr.

5.How long is the warranty period?

Guarantee one year.During the warranty period, we shall repair and replace the damaged part accordingly because of any damage due to quality problem. Not including man-made damage or accident damage.

6.What is the lifespan for the tents?

The Lifespan for aluminium frame or galvanized steel frame is 15-20 years,lifespan for roof cover is 8-10 years under proper use.

7.What's the delivery time?

25 days after deposit.

8.How to order?

Inquiry → Quotation → Negotiation → Samples → PO/PI → Mass production →Book Space → Balance/Deliver →further.
