Features:

Spacious Interior: Luxury marquees are designed to offer ample space to accommodate wedding receptions, ceremonies, and other festivities. They provide enough room for seating arrangements, dining areas, dance floors, and entertainment setups.

Elegant Design: These marquees often feature elegant and sophisticated designs that add a touch of class and style to wedding celebrations. They may include decorative elements such as ornate ceilings, drapery, lighting fixtures, and flooring options to create a visually stunning ambiance.

Weather Resistance: Luxury marquees are constructed using high-quality materials that offer superior weather resistance. They are designed to withstand various weather conditions, including rain, wind, and sun exposure, ensuring a comfortable environment for guests regardless of the outdoor conditions.

Customization Options: Many luxury marquees for weddings offer customization options to suit the couple's preferences and wedding theme. This may include options for selecting colors, fabrics, lighting designs, furniture styles, and decor elements to create a personalized and unique setting.

Durability and Safety: These marquees are built to meet strict safety standards and regulations. They are constructed with sturdy materials and reinforced structures to ensure stability and safety during use. Additionally, they may include features such as fire-resistant fabrics and secure anchoring systems for added peace of mind.

Ease of Installation: While luxurious in appearance, these marquees are designed for easy and efficient installation. They often feature modular construction or frame-based systems that allow for quick assembly and disassembly, making them suitable for various wedding venues and locations.

FQA:

Q. Why choose us?

We are the real source manufacturer cover over 60000 square meters.

Q: What size tent is necessary for your special event?

A person must first determine tent usage. If a tent is being used for dining purposes and round tables are being used allow 10-12 square feet per person. If banquet style tables are being used allow 8-10 square feet per person.If the purpose is for cocktail service allow five to six square feet per person. Contact us for all your specific questions and more information on tent types.

Q: Can you print our logos on tent?

Yes.Customized logos can be print on the tent fabric according to your requirements.

Q: Is that factory price?

Yes.We assure you all prices are based on factory.

Q: Does your tent be able to install repeatedly?

Our tents can be assembled and dismantled and repeatedly with small transportation size.The lifespan of aluminium framework can reach 15-20 years,and 5-8 years for PVC fabrics depending on different conditions of usage.

Q: What documents are available?

A full range documents including structural drawings,packing list,installation manual can be provided.Moreover,customs declaration is provided.We provide one-stop service for you.

Q: Has your tent product been certified?

Yes. Our tent product has passed the engineering tests. Besides, the PVC fabric used for roof covers and sidewalls has passed the fire tests and the flame retardant test based on the standard.

Q: Is your tent strong and stable enough? How about the wind loading?

Yes. The main frameworks (upright support and roof beam) are manufactured with high impact extruded anodized aluminum (6061/T6) so our tent structure is safe and strong and can resist wind up to 100 km/hr.

Q: How long is the warranty period?

Guarantee one year. During the warranty period, we shall repair or replace the damaged part accordingly because of any damage due to quality problem.
