Why choose us?

1. The tent has a variety of uses, can be used for storage, industrial, events, sport areas...
2. According to the different functions of the tents, provided size, color and fittings customization
3. Providing customers with 3D design renderings
4. For customers who need to expand the old tent, the design scheme and renderings of the expansion can be provided
5. High quality tarpaulin dirt-proof, water-resistant and flame-resistant
6. Short delivery time

FAQ :

Q1:How can I calculate the tent size I need?

A1:You must first determine tent usage ,if the tent with tables and chairs in it,one person need 1.2 square meters,if the without table and chair,one person need 1 square meter.

Q2:Does WT Tent provide any help to install the tent?

A2:Yes,usually we will send Assembly Instructions to help you installation,if customer need our engineer come to their country to help install,that is also workable.

Q 3: How long of the production?

A3:Our normal production time is 10-15 days, which is based on the square of Marquee tent.If the actual tent will use more sandwich walls or glass walls, The customization time for these accessories materials takes 20-25 days, Urgent order production time can be specially arranged.
