#### Features:

**Dome Design:** Glamping hotel dome tents are characterized by their dome-shaped structure, which provides a spacious and airy interior. The dome design maximizes headroom and interior space, creating a comfortable and inviting environment for guests.

**Luxurious Furnishings:** Glamping hotel dome tents are furnished with high-quality and comfortable amenities to provide guests with a luxurious experience. This may include plush beds, premium bedding, seating areas, and stylish décor elements.

**Private Bathrooms:** Many glamping hotel dome tents feature private bathrooms with showers, toilets, and sinks. These bathrooms offer guests the convenience and comfort of having their own facilities without sacrificing the outdoor experience.

**Climate Control:** To ensure comfort in various weather conditions, glamping hotel dome tents may include climate control features such as air conditioning, heating, or ventilation systems. This allows guests to enjoy their stay regardless of the outdoor temperature.

**Panoramic Views:** Glamping hotel dome tents often feature large windows or transparent panels that offer panoramic views of the surrounding landscape. Guests can enjoy breathtaking views of nature from the comfort of their tent.

**Outdoor Spaces:** In addition to the indoor living area, glamping hotel dome tents may include outdoor spaces such as decks, patios, or balconies. These outdoor areas provide guests with a private space to relax and enjoy the fresh air.

**FQA:**

**Q: Could you customize the color?**

A: We have various standard colors and sizes for your choice, but we provide customized color if the quantity more than 10 sets.

**Q:How long is the production time?**

A:Normally 15~25 days after payment, depends on quantity.

**Q:Is this product easy to install?**

A: Yes, the enclosure dome is spliced by screws and pc module, only needs wrench and escalator.

**Q: Will you check the products' quality before delivery?**

A: Yes, we have QC department so we will check every details of the product.

**Q:Is it the PC polycarbonate board sturdy?**

Yes, it is used to make police shield and high-speed sound insulation board.
