Details:

Applications:

Weddings and Receptions: Party Marquee Tents provide a romantic and elegant setting for weddings and receptions, offering customizable options for decor, lighting, and seating arrangements to suit the couple's preferences and theme.

Corporate Events: These tents are used for hosting corporate functions such as conferences, seminars, product launches, trade shows, and employee appreciation events. They provide a professional and branded environment for networking, presentations, and exhibitions.

Social Gatherings: Party Marquee Tents are popular venues for hosting social gatherings such as birthday parties, family reunions, graduations, and holiday celebrations. They offer a spacious and inviting atmosphere for guests to enjoy food, drinks, and entertainment.

Outdoor Festivals: These tents are often used as venues for outdoor festivals, fairs, concerts, and cultural events. They provide shelter and amenities for performers, vendors, and attendees, enhancing the overall experience for participants and visitors.

FQA:

Q1. You are manufacture factory or trading company?

We are manufacture factory. And you are welcomed to visit us at any time. The quality control flow and sales team will show you our professionalism. Also you will can get best and most competitive price after visiting us.

Q2. Is your price competitive compared with other companies?

Our business objectives are to give the best price with same quality and best quality with the same price. We will do everything we can to reduce your cost and guarantee you get the best product that you paid for.

Q3: Can you print our logos on event tent for sale?

Yes. Customized logos can be printed on the tent fabric.

Q4: Is your tent strong and stable enough? How about the wind loading?

Yes. The main frameworks (upright support and roof beam) are manufactured with high impact extruded anodized aluminum (6061/T6), so our tent structure is safe and strong enough to resist wind up to 100 km/hr.

Q5. Do you accept container loading inspection?

You are welcomed to send an inspector, not only for the container loading, but any time during the production time.

Q6. Does your tent be able to installed repeatedly? What is the life span?

Sure, our tents can be assembled and dismantled easily and repeatedly with small transportation size. The lifespan of aluminium framework can reach 15-20 years, and 5-8 years for PVC fabrics depending on different conditions of usage.

Q7: How long is the warranty period?

Guarantee is one year. During the warranty period, we shall repair or replace the damaged part accordingly because of any damage due to quality problem.

Q8: How is the quality of the product guaranteed?

Our products will be strictly tested by the quality inspection department before leaving the factory, and each product will be strictly controlled to ensure product quality.
