Applications:

Outdoor Events:

Canopy tent frames are widely used for outdoor events such as festivals, fairs, markets, concerts, sporting events, and community gatherings. They provide shelter and shade for vendors, exhibitors, performers, and attendees, creating a comfortable and inviting space for various activities.

Trade Shows and Exhibitions:

Canopy tent frames are essential for trade shows, exhibitions, and promotional events. They serve as temporary booths or display areas for businesses, organizations, and vendors to showcase their products, services, and marketing materials in a professional and branded setting.

Corporate Functions:

Canopy tent frames are commonly used for corporate functions, including company picnics, outdoor meetings, team-building events, and employee appreciation days. They offer a versatile and customizable venue option for hosting gatherings, presentations, workshops, and networking opportunities in an outdoor setting.

Weddings and Receptions:

Canopy tent frames are popular choices for outdoor weddings, receptions, and other special events. They provide a romantic and elegant setting for ceremonies, dining, dancing, and socializing, allowing couples to celebrate their love amidst the beauty of nature.

Camping and Outdoor Adventures:

Canopy tent frames are essential components of camping tents and shelters used for outdoor adventures. They provide protection from the elements, including rain, wind, and sun, allowing campers to enjoy comfortable and secure accommodations while exploring the great outdoors.

Emergency Response and Relief:

Canopy tent frames are deployed for emergency response and relief efforts during natural disasters, humanitarian crises, and temporary housing needs. They provide temporary shelters, medical clinics, distribution centers, and command posts for first responders, relief organizations, and affected communities in need of assistance.

FQA:

1. Are you tent factory?

Yes, we are professional tent manufacturer in Changzhou of China, close to Shanghai and Yiwu .
We assure you our prices are based on factory.

2. What is the MOQ of the tent?

25 square meters.

3. What size tent and what types do i need?

Tent size depends on the number of people to accommodate or the area you want to cover.
In our factory, your choice can be 3 meter to 50 meter on width. For tent types, contact us with detailed requirements.
We will send you our professional solution.

4.What is the production time for standard tent?

25-30days after deposit confirmed.

5.What's the lifespan of your clear span structure tent?

In the reasonable using, the lifespan of the aluminum alloy can last over 10 years and the PVC cover is more than 7 years.

6. Can your tent be relocated?

All our tent structures is designed into relocatable construction. For the seasonal and regional reason, you can dismantle, store or remove the tent to other location.

7. Can I extend the tent size or replace the related accessories in the future?

Sure. All of our tent structures and accessories are modular type. You can extend the tent length by adding some extra parts.

8. What kind of warranty do you provide?

We provide an one year guarantee. During the warranty period, we shall replace the damaged part accordingly because of any damage due to quality problem.
