Here's an introduction to the Event Marquee Tent:

Spacious Interior: Event Marquee Tents feature a spacious and open interior that can accommodate a large number of guests, seating arrangements, stages, dance floors, and other event elements. The absence of internal support poles or columns allows for unobstructed space, providing flexibility in event layout and design.

Customizable Features: Event Marquee Tents offer a range of customizable features to enhance the functionality and aesthetics of the venue. Options for customization include sidewall configurations (clear, solid, or windowed), entrance options (single or double doors, roll-up or sliding doors), decorative elements (drapery, lighting, flooring), and branding opportunities (custom graphics, logos, signage).

Weather Resistance: Event Marquee Tents are designed to provide shelter and protection from various weather conditions, including rain, wind, sun, and snow. The canopy fabric is made from durable and weather-resistant materials such as PVC-coated polyester or polyethylene, offering waterproofing, UV resistance, and flame retardancy to keep guests dry and comfortable throughout the event.

Versatility: Event Marquee Tents are suitable for a wide range of events and occasions, making them highly versatile structures. Whether it's a formal wedding reception, a casual outdoor party, a corporate gala, or a trade show exhibit, these tents can be tailored to suit different themes, styles, and event requirements.

Ease of Setup: Despite their size, Event Marquee Tents are designed for efficient setup and dismantling, minimizing downtime and disruption to event schedules. The modular construction and pre-fabricated components allow for quick assembly using basic tools and equipment, ensuring that the venue is ready for use in a timely manner.

Cost-Effective Solution: Compared to permanent venue structures such as banquet halls or convention centers, Event Marquee Tents offer a more cost-effective venue solution. They require lower upfront investment, have shorter construction lead times, and can be installed on various surfaces, providing flexibility and cost savings for event organizers and venue operators.

Memorable Atmosphere: The spacious and customizable nature of Event Marquee Tents allows event organizers to create a unique and memorable atmosphere for their guests. Whether it's adding decorative lighting, creating themed lounges, or incorporating special effects, these tents provide endless opportunities for creativity and personalization.

FAQ:

Q1. You are manufacture factory or trading company?

We are manufacture factory. And you are welcomed to visit us at any time. The quality control flow and sales team will show you our professionalism. Also you will can get best and most competitive price after visiting us.

Q2. Is your price competitive compared with other companies?

Our business objectives are to give the best price with same quality and best quality with the same price. We will do everything we can to reduce your cost and guarantee you get the best product that you paid for.

Q3: Can you print our logos on event tent for sale?

Yes. Customized logos can be printed on the tent fabric.

Q4: Is your tent strong and stable enough? How about the wind loading?

Yes. The main frameworks (upright support and roof beam) are manufactured with high impact extruded anodized aluminum (6061/T6), so our tent structure is safe and strong enough to resist wind up to 100 km/hr.

Q5. Do you accept container loading inspection?

You are welcomed to send an inspector, not only for the container loading, but any time during the production time.

Q6. Does your tent be able to installed repeatedly?

What is the life span? Sure, our tents can be assembled and dismantled easily and repeatedly with small transportation size. The lifespan of aluminium framework can reach 15-20 years, and 5-8 years for PVC fabrics depending on different conditions of usage.

Q7: How long is the warranty period?

Guarantee is one year. During the warranty period, we shall repair or replace the damaged part accordingly because of any damage due to quality problem.

Q8: How is the quality of the product guaranteed?

Our products will be strictly tested by the quality inspection department before leaving the factory, and each product will be strictly controlled to ensure product quality.

Q9. How can you get aquotation for your projects?

You can contact us by email, phone, WhatsApp, Skype, Viber and so on 24*7 and you will get reply within 8 hours.
