3. Weight plate for all grounds which cannot be destroyed;
4. Permanent solutions to meet requirements for long time use.

FAQ :

What is a white wedding marquee tent?

A white wedding marquee tent is a temporary structure erected outdoors to host wedding celebrations. These tents feature a white canopy and frame, offering a classic and elegant backdrop for wedding receptions and other special events.

What are the benefits of using a white wedding marquee tent?

White wedding marquees offer numerous benefits, including versatility, customization options, weather protection, privacy, and ease of setup. They provide a blank canvas for couples to design their dream wedding venue and create a unique and memorable atmosphere for their special day.

What sizes are available for white wedding marquee tents?

White wedding marquees come in various sizes and configurations to accommodate different guest counts and event needs. Common sizes range from small tents suitable for intimate gatherings to large tents capable of hosting hundreds of guests.

Can I personalize the interior of a white wedding marquee tent?

Yes, one of the main advantages of using a white wedding marquee tent is the ability to customize the interior to suit your wedding theme and preferences. Couples can add lighting, drapery, floral arrangements, and furnishings to create a personalized and inviting space.

Are white wedding marquee tents suitable for all weather conditions?

White wedding marquees are designed to provide protection from the elements, including rain, wind, and sun exposure. The canopy fabric is

typically made from durable and weather-resistant materials, ensuring that guests remain dry and comfortable throughout the wedding celebration.

How far in advance should I book a white wedding marquee tent?

It's recommended to book your white wedding marquee tent well in advance, especially if you're planning a wedding during the peak season or on popular dates. Booking several months to a year in advance ensures availability and allows ample time for planning and customization.
