Big tent-25	25	5	4	8	10.6
Big tent-30	30	5	4	8.8	10.6
Big tent-40	40	5	4	9.6	11.1
Big tent-50	50	5	4	12.2	11.1

Benefits:

Versatility: Frame structural storage marquees are suitable for a wide range of storage applications, including industrial storage, warehouse overflow, temporary warehousing, vehicle storage, and more.

Cost-Effectiveness: Compared to permanent storage structures, frame structural storage marquees offer a more cost-effective solution. They require lower upfront investment and have reduced ongoing maintenance costs, making them an attractive option for businesses looking to optimize their storage expenses.

Quick Installation: These marquees can be assembled quickly and easily, allowing for rapid deployment and minimizing downtime. This is particularly beneficial for businesses with urgent storage needs or time-sensitive projects.

Portability: Frame structural storage marquees are portable structures that can be easily transported and relocated to different locations as needed. This portability provides flexibility for businesses that require temporary or mobile storage solutions.

Applications:

Industrial Storage
Warehouse Overflow
Temporary Warehousing
Vehicle Storage
Event Storage
Construction Site Storage
Agricultural Storage
Retail Inventory Storage
