FAQ :

Q: Can you print our logos on tent?

* Yes. Customized logos can be print on the tent fabric according to your requirements.

Q: Is that factory price?

* Yes. We assure you all prices are based on factory.

Q: Does your tent be able to install repeatedly?

* Our tents can be assembled and dismantled and repeatedly with small transportation size. The lifespan of aluminium framework can reach 15-20 years, and 5-8 years for PVC fabrics depending on different conditions of usage.

Q: What documents are available?

* A full range documents including structural drawings, packing list, installation manual and relative certificates can be provided. Moreover, customs declaration is provided. We provide one-stop service for you.

Q: What size tent is necessary for your special event?

* A person must first determine tent usage. If a tent is being used for dining purposes and round tables are being used allow 10-12 square feet per person. If banquet style tables are being used allow 8-10 square feet per person. If the purpose is for cocktail service allow 5 to 6 square feet per person. Contact us for all your specific questions and more information on tent types.

Q: Has your tent product been certified?

* Yes. Our tent product has passed the engineering tests, the PVC fabric used for roof covers and sidewalls has passed the fire tests.

Q: Is your tent strong and stable enough? How about the wind loading?

* Yes. The main frameworks (upright support and roof beam) are manufactured with high impact extruded anodized aluminum (6061/T6) so our tent structure is safe and strong and can resist wind up to 100 km/hr after setting up correctly.

Q: How long is the warranty period?

* Guarantee one year. During the warranty period, we shall repair or replace the damaged part accordingly because of any damage due to quality problem.
