Product Description

High Quality Factory Price Large Aluminum Frame White PVC Industrial Storage Tents For Sale

Description :

Professional Industrial Storage Solution

Tendars clear span warehouse tent solutions save you time and money. The span width of our A-shape tents are from 3m to 80m and the length has no limitation. Length can be any times of 3m, 5m modular. There is no pole inside the tent, which enables you to make maximum use of the space inside. Most popular size are 6x12m, 9x15m, 10x20m, 12x30m, 15x40m, 20x30m, 20x50m, 25x60m, 30x60m, 30x100m, 40x100m, 50x100m etc. Our warehouse tents are installed quickly on almost any surface – asphalt, concrete or soil – without the need of a permanent foundation. You can customize your industrial warehouse with a variety of different amenities and adjust the size and space based on your needs.

Our clear span warehouse tents with resisting 100-120km/h wind loading are essentially for temporary or semi-permanent warehouse. These warehouse tents can be dismantled and moved easily.
