Here are the key principles involved:

Versatility: Wedding marquee tents are designed to be adaptable to various locations and settings, whether it's a garden, beach, vineyard, or urban space. They offer flexibility in size, layout, and configuration, allowing couples to create their dream wedding venue virtually anywhere.

Customization: Marquee tents for weddings can be customized to reflect the couple's style, theme, and preferences. From the color and style of the fabric to the layout of the interior space, couples have the freedom to personalize every aspect of their wedding tent to create a unique and memorable experience for themselves and their guests.

Elegance and Ambiance: Wedding marquee tents are designed to exude elegance and create a magical ambiance for the celebration. Features such as draping, lighting, flooring, and decor elements can be incorporated to enhance the overall aesthetic and atmosphere of the venue, turning an outdoor space into a sophisticated and romantic setting.

Comfort and Convenience: Despite being temporary structures, wedding marquee tents offer comfort and convenience for both the couple and their guests. Climate control options such as heating, cooling, and ventilation systems ensure that guests are comfortable regardless of the weather conditions. Additionally, amenities such as flooring, restrooms, and catering facilities can be included to provide added convenience and functionality.

FAQ :

Q1. What is the MOQ in Tendars?

One Set.

Q2. What is the Payment Term in Tendars?

30% Deposit to be made After signing PI, 70% before shipment.

Q3. What is the Normal Product Time for Standard Design?

15 - 25 days after deposit received.

Q4. Does Tendars Provide Basic Installation Tool?

We provide ropes to connect the PVC sidewall and fork for helping set up the frame.

Q5. Do You Provide Any Guidance on the Job-site?

We will attach the build instructions in your product package. If you need, we will send our technology staff and project manager to provide installation guidance in your job-site .

Q6. Where can I installed the Tent Structures?

Clear span tent structures can be installed without land permission and foundation unlimited. You can set up the tent on hard land, grassland, or sand land. Also, we will offer different fixation kit for your requirement.

Q7. How Long Will a Tendars Clear Span Structure Last?

In the reasonable using, the lifespan of the aluminum alloy can last over 30 years and the PVC cover is guaranteed up to 5 years. And Tendars will offer you an affordable price for component replacing.

Q8. Can Tendars Tent Structure be Relocated?

All of our tent structures is designed into relocatable construction. For the seasonal and regional using, you can dismantle, store or remove the tent to any location. Also, our tent structures are allowed to be permanent building as sports center, industrial warehouse or exhibition hall.

Q9. Can I Expand the Tent Size or Replace the Accessories of the Tent Structures in the Future?

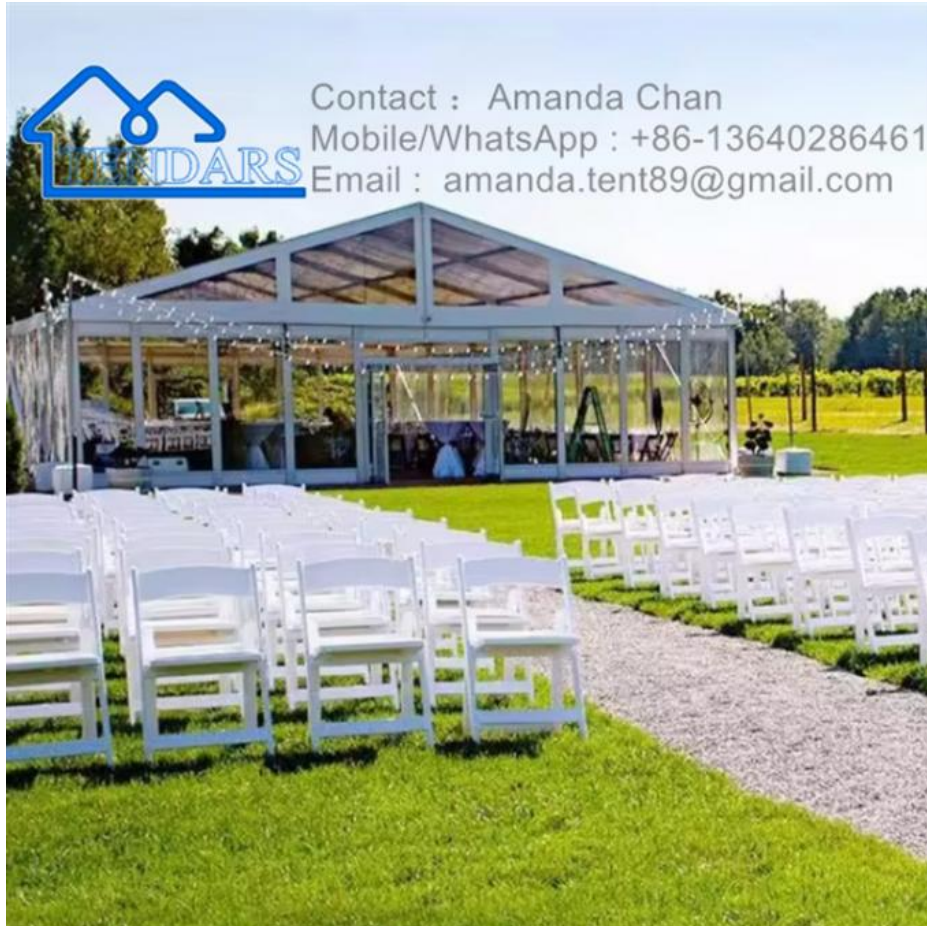

Sure. All of our tent structures and accessories are made into modularity. You can expand the tent length by adding bay distance (the distance should be in original length) unlimitedly. Also, the accessories can be replaced into a new one, we will offer affordable price of components replacement to our clients.

Q10. Have Oversea Rental Service or Buy Only?

For more economical solutions, Tendars does not provide overseas rental service. Since we are the clear span tent manufacturer, we offer factory price which without any extra fee like commission from trade company. So you will enjoy the most cost-effective product and tent solution from Tendars.

Q11. What Kinds of Structures Will I Get From Tendars?

All of our structures are made with hard-pressed aluminum alloy frame and totally waterproof PVC membrane. In addition, the tent structure is designed into clear span (without any interior column) and modular construction. Such kinds of structures will create the whole interior space for any occasion with a rapid installation.
