1: This is not a 1-time party tent, the galvanized coated steel frame is waterproof and warp-resistant, while the support tubes on the top and sides of the frame greatly increase the structural stability of this large tent. The roof and sidewalls of this extra-large party tent are made from polyethylene to maximize UV protection and increase the life of the tent.

2: The sidewalls of this oversized party tent are designed with 12 cathedral-style PVC windows to provide guests with a great view even in the winter. And with front and back doors, this party tent facilitates the flow of events to a great extent. 3: This oversized party tent is suitable for a wide range of ground conditions. The hardware package comes with four sets of ground anchors, 28 L-shaped ground spikes, and 32 expansion screws. We offer different reinforcement options depending on the location: the ground anchors and L-ground pegs are suitable for reinforcing the tent in grassy environments, while the expansion screws are suitable for harder ground conditions such as concrete.

#### FAQ :

##### Q1. Are you factory or trading company?

We are manufacturer, and we have our own sales team to service our clients.

##### Q2. How can I get a specific price about the product I want?

Our price based on product items, material, quantity, size, color, logo, package, ways, trade terms. The most details you provide, the more accurate price you will get, and of course, if some details you are not sure, just tell us and we will provide our optional list for you.

##### Q3. Why your price is lower than other supplier?

1. We are manufacturer not sales agent so we can cut the agent fee out.
2. Our advanced equipment and skillful workers can save our cost.
3. Our professional sale team knows clearly about the product and they can recommend the best solution for you to reduce cost.
4. Our factory business concepts is to provide best product with lower price to help our clients to seize their market share and we can both enlarge our business scale.
