## Product Description

### Heavy-Duty Aluminum Frame Large Church Event Tents Outdoor Wedding Marquee Tent

#### Features:

**Flexibility and customization:** Can be customized according to the size of the wedding, venue conditions and personal preferences, including size, shape, interior layout and so on. Whether it is a small warm party or a large luxurious celebration, it can provide the right space.

**Unique appearance:** Through careful decoration and arrangement, it can create a romantic, elegant or personal atmosphere. It can be paired with different lights, curtains, flowers and other elements to make it a highlight of the wedding scene.

**Suitable for a variety of sites:** whether on lawns, beaches, gardens or other irregular sites, it can be easily built, not limited by fixed buildings.

**Spacious space:** The interior space is open, there are no obstacles such as columns to block the line of sight, providing guests with a good view and comfortable activity space.

**Fast construction and disassembly:** The construction and disassembly work can be completed in a relatively short time, reducing the time and energy of preparing for the wedding.

**Climate adaptability:** It can be equipped with air conditioning, heating equipment or ventilation system to adapt to different seasons and weather conditions to ensure the smooth progress of the wedding.

**Cost effective:** Compared to traditional wedding venue rental, it may be more economical in some cases, especially for larger weddings.

**Privacy:** The ability to create a relatively independent and private space for the wedding, so that the couple and guests can enjoy the special moment.

### FAQ :

#### Q1:Are you a factory or trading company?

A:We are a professional tent factory.

#### Q2: What is the life span of your tents?

A:Life span of the aluminium is 15-20 years,PVC fabric is 4-5 years.Good discount will be given you to get a new fabric from us after 5-6 years.

#### Q3:How to assemble your tents?

A: We will provide the manual and video for you to study.If you need,we can send a technician to help you in your country.

#### Q4:How to choose the size of tent?

A: The size depends on how many people you want to stand,sit or have dinner in this tent.And the size also depends on the land space you will put up this tent.Normally,we advise 1-1.5sq.m/person.
