Product Description

Factory Luxury Tent With Living Customized Hotel Tents For Glamping Resort

Product Main Features

- 1. Fast Assembly** - Our domes are affordable and the assembly time is fast. The costs of purchasing and installing geodesic domes for glamping are typically recouped in as little as one season. They can be installed repeatedly and lasts 10+ years, ensuring your return-on-investment for years to come.
- 2. Eco Friendly** - Geodesic glamping structures can be built almost any location with minimal impact to the surrounding environment.
- 3. Energy Efficient** - With the dome-shaped design, eco-living dome allows for effective air movement and constant temperatures, maximizing the sun's light and warmth meanwhile reducing cooling and heating costs.
- 4. One-stop Design** - You can add on a cozy bed, kitchenette, separate bathroom and an extra decking or complete the interior design your way.
- 5. Wide Application** - Besides being a guest accommodation, our living dome tent is also applicable to school camps, remote and regional housing, garden studio, then mining and resources etc.
- 6. Excellent Safety** - The unique geodesic tent structure provides excellent safety. The spherical dome tent can withstand the wind of 80-100km/h, even in the harsh weather such as heavy snow, wind and rain. Geodesic dome construction in such soft building foundation (like the grassland, desert and beach) is also quite stable.
