## Product Description

### Outdoor Wedding Teepee Tent Hot Wood Stove Tent Teepee Tent For Party Event

#### Feature

The Safari Tent - it uses the wooden structure as the frame, which is beautiful and strong. The top of the tent is covered with a polyester-cotton tarpaulin, which has good waterproof, sun-proof and fire-proof effects. In addition, the open design of the safari tipi tent not only expands the sense of internal space, but also increases the indoor lighting effect, but also ensures the circulation of the surrounding air, and the ventilation effect is good. It is suitable to use as a public place.

#### Product Description:

The shape of the Safari Tent - Tipi evolved from the indigenous Indian housing resembles a hat, with a peculiar and attractive shape, and its unique shape makes it stand out among many tents. It is deeply loved by many people. The combination of khaki makes its ethnic style stronger, and the commercial atmosphere fades away. The tipi wedding tent has a unique original flavor. The simple polyester-cotton fabric and wooden

structure form a unique landscape on the vast ground.
