FQA:

1.Q: Could you please design a new and unique prefab house for me?

A: Absolutely! We are able to provide you with not only construction scheme, but landscape design! One-stop service is our outstanding superiority with no doubt.

2.Q: What should I provide to build a prefab house?

A: So easy! Sketch drawing would be a better reference for us. However, you will never mind if you don't have any. Simply notify us your requirements, such as the area, usage and the stories of the house. Before long, you'll possess an amazing design.

3.Q: How could I ensure the cost of building a prefab house?

A: Firstly, the designing scheme should be accepted. Then, the kinds of building materials should be confirmed since different types and qualities make various prices. After that, we will send you a detailed quotation.

4.Q: How Long does it take to build a light steel prefab house?

A: It depends on the size of the house. Generally, one 50 square meter house five workers 1-3days finished installation, save manpower and time.

5.Q: Is it difficult to build a prefab house?

A: Totally not, you can build the house independently according to the construction drawings as long as you know how to use an electric tool.

6.Q: Does this kind of house can only be used in residential buildings?

A: Absolutely not. It can be used in all kinds of buildings, such as hotel, office, school, entertainment club, light industrial workshop, etc.
