Product Description

Travel Holiday Camping Tent With Bathroom And Toilet Resort Villa Hotel

Details:

| EXTERNAL ACCOUNT | INTERNAL ACCOUNT | FLOOR | EXHAUST SYSTEM |

This unique shape complements the surrounding natural environment and becomes a beautiful landscape. For example, in the green mountains and green water, the Beetle tent seems to be a wonderful place born in nature.Despite being small and cute on the outside, the inside is quite different. The rational layout maximizes the use of space and provides a spacious and comfortable living experience. High quality beds, soft sofas and fully furnished facilities make people feel like being in a warm home.

The large area of the window design allows sufficient natural light to shine into the interior of the tent, creating a bright and transparent atmosphere. At the same time, guests can enjoy the beautiful outdoor view through the Windows, whether it is sunrise, sunset or starry sky.

The well-designed ventilation system ensures the circulation of air in the tent, keeping it cool and comfortable even in the hot summer. Good ventilation also helps to reduce moisture and odors, providing a fresh and pleasant living environment.

Construction is relatively easy and quick, and can adapt to different terrains and environments. Moreover, depending on business needs or

seasonal changes, the location of the tent can be easily moved to maximize its value.

Product Description:

Dimension	5.6m*9m
