#### What is a Glamping Shell Shape Hotel Tent?

A glamping shell shape hotel tent is a specialized type of tent designed for "glamping," or glamorous camping. This type of tent is characterized by its distinctive shell-like design and luxurious features, creating a unique and upscale outdoor experience. The tent typically features a streamlined, aerodynamic shape that enhances both aesthetics and functionality.

The glamping shell shape hotel tent represents a sophisticated blend of outdoor adventure and luxury living. Its innovative design, high-quality materials, and luxurious interior make it a popular choice for those seeking a unique and comfortable glamping experience. Whether for luxury camping resorts, special events, or eco-friendly retreats, this type of tent offers a stylish and practical solution for high-end outdoor accommodation.

#### FQA:

##### Q1. Are you factory or trade company?

We are direct factory.

**Q2. What is your Payment terms?**

T/T is available.

**Q3. Is your tent strong and stable enough,How about the wind loading?**

Yes,Steel structure and cover wind resistance and load bearing is calculated by professional software and Experience engineer team,will be more than we planned 50%.The wind load at least more than 120KM/H.

**Q4. What's the material of the cover,does it can last long time?**

The cover material is PVDF or PTFE.PVDF can last more than 15-20 years.PTFE can last more than 50 years.It have fabric inside,so it very strong,not easy to be torn.

**Q5. When will you ship the orders?**

Once the design of tent is confirmed,we will arrange production plan,and inform you of the leadtime.generally it takes about 7-25 working days.

**Q6. What is the total price include freight?**

The total price is based on the design of the product and the requirement of the customer,all subject to the final calculation.

**Guangzhou Tendars Tent Co., Limited**
