

## European-Standard Waterproof Party Marquee Tents Aluminum Alloy Frame CE Certified Outdoor Event Canopy Structure

Our Product Introduction

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: TENTPRO
- Certification: CE, EN 13782, ISO 9001:2015, REACH
- Model Number: PT-AL-10X5-EU
- Minimum Order Quantity: 1 Set
- Price: USD 1,200-2,500 / Set
- Packaging Details: Heavy-duty PVC carry bag with reinforced handles, export-grade wooden crate with moisture barrier and fumigation certificate for EU customs clearance
- Delivery Time: 15-25 working days
- Payment Terms: T/T, L/C, Western Union
- Supply Ability: 500 Sets per Month

### Product Specification

- Frame Material: 6061-T6 Aluminum Alloy (Anodized)
- Roof Material: 850g/m<sup>2</sup> Double PVC-Coated Polyester, UV Stabilized
- Sidewall Material: 650g/m<sup>2</sup> PVC-Coated Polyester With Clear PVC Windows
- Tent Size (L X W X H): 10m X 5m X 3.5m
- Wind Resistance: Up To 80 Km/h (Beaufort Scale 9)
- Snow Load Capacity: 0.3 KN/m<sup>2</sup>
- UV Protection Rating: UPF 50+
- Temperature Range: -30°C To +70°C
- Fire Retardant Rating: B1 / M2 (EN 13501-1)
- Connector Material: Hot-Dip Galvanized Steel
- Available Colors: White, Beige, Navy Blue, Custom RAL
- Sidewall Options: Full PVC, Window PVC, Transparent, Mesh
- Setup Time: 2 Persons, Approximately 2-3 Hours

## Product Description

### European Standard Party Marquee Tent - 10x5m Aluminum Alloy Outdoor Canopy

Engineered specifically for the European event market, our **PT-AL-10X5-EU** party marquee tent combines premium 6061-T6 aluminum alloy framing with heavy-duty 850g/m<sup>2</sup> PVC-coated polyester roofing. Fully certified to **CE, EN 13782, and ISO 9001:2015** standards, this tent delivers unmatched reliability for weddings, corporate functions, garden parties, trade exhibitions, and seasonal outdoor events across Europe. With REACH-compliant materials and fire-retardant B1/M2 certification, it meets the strictest EU safety and environmental regulations.

#### Technical Specifications

Parameter	Specification
Frame Material	6061-T6 Aluminum Alloy (Anodized)
Roof Material	850g/m <sup>2</sup> Double PVC-Coated Polyester, UV Stabilized
Sidewall Material	650g/m <sup>2</sup> PVC-Coated Polyester + Clear PVC Window Panels
Tent Dimensions	10m (L) * 5m (W) * 3.5m (H) – Custom sizes available
Wind Resistance	Up to 80 km/h (Beaufort Scale 9) with proper anchoring
Snow Load	0.3 kN/m <sup>2</sup>
UV Protection	UPF 50+
Temperature Range	-30°C to +70°C
Fire Retardant	B1 / M2 Certified (EN 13501-1 Compliant)
Connectors	Hot-Dip Galvanized Steel, Rust-Proof
Available Colors	White, Beige, Navy Blue, Custom RAL Colors Available
Setup Time	2 Persons, Approximately 2-3 Hours

#### Product Advantages & Key Selling Points

##### EU Compliance Guaranteed

Fully certified to **CE, EN 13782, and ISO 9001:2015** standards. REACH-compliant materials ensure smooth customs clearance and full market access across all 27 EU member states. B1/M2 fire certification meets European event venue safety requirements.

##### All-Weather Durability

Engineered for Europe's diverse climate from Scandinavian winters (-30°C) to Mediterranean summers (+70°C). Wind resistance up to **80 km/h** and snow load capacity of **0.3 kN/m<sup>2</sup>** for reliable year-round use.

##### Elegant European Design

Premium white PVC with optional clear window sidewalls creates a bright, sophisticated atmosphere. Custom RAL color matching available for brand-aligned corporate events. High-peak roof design enhances interior spaciousness.

##### Rapid Setup & Portability

Modular aluminum frame with tool-free connectors enables **2-person setup in 2-3 hours**. Complete system packs into heavy-duty carry bag and export-grade wooden crate for efficient logistics across Europe.

#### Certifications & Compliance for European Market

Certification	Scope	European Market Significance
<b>CE Marking</b>	Structural safety, wind load, material quality	Mandatory for legal sale throughout EU/EEA. Demonstrates conformity with EU health, safety, and environmental requirements.
<b>EN 13782</b>	Temporary structures – Tents – Safety requirements	Specific European standard for tent safety. Required by most EU event venue operators and municipal permitting authorities.
<b>ISO 9001:2015</b>	Quality management systems	Internationally recognized quality assurance. Essential for B2B buyers, government tenders, and institutional procurement.

Certification	Scope	European Market Significance
<b>REACH Compliance</b>	Chemical substance registration & restriction	EU Regulation (EC) 1907/2006. Ensures all materials are free from restricted substances. Mandatory for EU import.
<b>EN 13501-1 B1/M2</b>	Fire classification of construction products	Fire safety certification required by European event venues. B1/M2 rating ensures compliance with strict fire codes across all EU countries.

## European Market Services & Support

Service	Description
<b>Custom Design Service</b>	Tailor tent dimensions, colors (RAL matching), sidewall configurations, and branding. Free 3D rendering provided before production. Dedicated design consultant for European clients.
<b>EU Warehouse Distribution</b>	Strategic warehouse partnerships in Rotterdam (NL) and Hamburg (DE). 3-7 day EU-wide delivery with zero customs delays for European buyers.
<b>Installation Support</b>	Comprehensive multilingual assembly manual (EN/DE/FR/ES/IT). Video tutorials included. Optional on-site professional installation team available across Europe.
<b>5-Year Structural Warranty</b>	5-year structural warranty on aluminum frame. 3-year warranty on PVC fabric against UV degradation. Dedicated European after-sales support with 48-hour response.
<b>Flexible EU Logistics</b>	FOB, CIF, DDP shipping terms available. Sea freight (20-30 days) or air freight (5-7 days) to all major European ports. DDP door-to-door delivery with customs clearance.
<b>Complete Export Documentation</b>	Full documentation package: CE Declaration, EN 13782 test reports, REACH statement, B1/M2 fire certificate, fumigation certificate, Form A, and commercial invoice – all included.

## Frequently Asked Questions (FAQ)

### Q1: Is this tent compliant with EU safety regulations for public events?

Yes, fully **CE marked** and tested to **EN 13782** (European standard for temporary structures). All PVC materials are **REACH-compliant**, and the fabric meets **EN 13501-1 B1/M2** fire retardant standards. Complete certification documentation provided with every shipment.

### Q2: What is the minimum order quantity (MOQ)?

Our MOQ is **1 set**. We welcome single-unit purchases for event companies testing new products and bulk orders for rental businesses. Volume discounts apply for orders of 10+ sets.

### Q3: Can I customize the size, color, or add branding?

Absolutely. We offer **full customization** including custom dimensions, RAL color matching for PVC fabric, printed logos, and bespoke sidewall configurations. MOQ for custom branding is 5 sets.

### Q4: How long does delivery take to Europe?

Sea freight: **20-30 days** to major ports (Rotterdam, Hamburg, Antwerp). Air freight: **5-7 days** for urgent orders. EU warehouse stock (Rotterdam/Hamburg) delivers within **3-7 days** with no customs clearance. DDP door-to-door available.

### Q5: What warranty do you offer?

**5-year structural warranty** on aluminum frame and **3-year warranty** on PVC fabric (covering UV degradation and manufacturing defects). European after-sales team handles claims within 48 hours. Spare parts stocked in EU warehouses.

### Q6: Is professional installation required?

No. The modular aluminum frame with **tool-free connectors** allows 2 people to set up the tent in **2-3 hours**. Multilingual

manuals (EN/DE/FR/ES/IT) and video tutorials provided. Optional professional installation available across Europe.

**Q7: Do you provide samples or can I visit your factory?**

Yes, we provide **free fabric swatches and aluminum frame samples** for quality evaluation. Factory visits are welcome at our ISO 9001:2015 certified facility in Guangdong, China. Contact our European sales team to arrange.

**Ready to elevate your European events? Contact us today for a personalized quote, free 3D rendering, and complimentary fabric swatches. Multilingual team (EN/DE/FR/ES/IT) ready to assist.**
