Product Description

Corporate Gala Dinner Party Marquee Tent with ABS Solid Wall System

Deliver a five-star corporate hospitality experience with our premium Party Marquee Tent configured with ABS solid wall panels. Unlike standard PVC sidewalls, the 50mm thick ABS panels provide genuine thermal insulation (R-value 2.5), reducing HVAC energy consumption by 40% while maintaining comfortable interior temperatures regardless of outside weather conditions.

The solid wall system also provides a sound transmission class rating of STC 32, significantly reducing external noise for undisturbed keynote speeches, award presentations, and entertainment performances. The smooth white interior surface creates a refined atmosphere suitable for gala dinners, product launches, and VIP receptions, with the option to paint or wrap panels for complete brand immersion.

Corporate Event Case Study - Annual Dealer Conference, Dubai

Client: Automotive manufacturer hosting 300 VIP dealers for annual conference and gala dinner.

Solution: 20x35m ABS wall marquee tent with carpeted wooden flooring, integrated AV system, stage with LED backdrop, commercial kitchen service annex, and champagne reception area under attached glass wall structure.

Result: Event rated outstanding by attendees. Client reports this tent configuration now specified as standard for all regional dealer events. 3 additional orders placed for other markets.

Premium Corporate Features

ABS wall panels: 50mm thick with tongue-and-groove connection for seamless appearance

Integrated cable management channels in wall base profile

Pre-engineered rigging points for AV truss and lighting suspension

Dedicated kitchen and restroom annex connections

Emergency exit doors compliant with venue occupancy regulations

Wheelchair accessible ramp and entrance options
