

Complete Certificate Documentation Package Party Marquee Tent ISO CE SGS Test Reports Engineering Export Ready Canopy

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Tendars
- Certification: ISO 9001:2015, CE Marking, SGS, COC, B1 Fire, EN 13782, ISPM 15
- Model Number: TDT-CERT-FULL
- Minimum Order Quantity: 25 Square Meters
- Price: USD 35-65 per Square Meter
- Packaging Details: Certificate hard copy folder in waterproof envelope packed with shipment; digital copies sent via email and USB drive included
- Delivery Time: 10-18 working days
- Payment Terms: T/T, L/C, Western Union, PayPal
- Supply Ability: 50000 Square Meters per Month

Product Specification

- ISO Certificate: ISO 9001:2015 Quality Management System
- CE Documentation: Declaration Of Conformity, Technical File, Risk Assessment
- SGS Reports: Material Test, Structural Analysis, UV Aging, Fire Test
- Engineering Docs: PE Stamped Structural Calculations, Wind Load Analysis
- Export Documents: COO, Form E, Fumigation Cert, Commercial Invoice Template
- Fire Certificates: B1 DIN 4102-1, M2 NF P92-507
- Frame Material: Hard Pressed Extruded Aluminum Alloy 6061 T6
- Highlight: **Party marquee tent ISO certified, Marquee tent CE test reports, Export ready canopy documentation**

Product Description

Complete Certificate Documentation Package Party Marquee Tent

Navigate customs clearance, venue approvals, and insurance requirements with confidence. Every Party Marquee Tent from Tendars is delivered with a comprehensive certificate documentation package that covers every compliance requirement for international import, public event permitting, and structural safety verification. This eliminates the documentation scramble that delays projects and frustrates buyers.

The package includes ISO 9001:2015 Quality Management System certificate, CE Declaration of Conformity with technical file and risk assessment, SGS third-party material test reports (tensile, tear, UV aging, fire retardant), professional engineer stamped structural calculations with wind and snow load analysis, and complete export documentation. All documents are provided in both digital format (email + USB drive) and printed hard copies in a waterproof document folder.

Complete Documentation Checklist

Quality Management: ISO 9001:2015 Certificate (valid, with surveillance audit records)

European Compliance: CE Declaration of Conformity, Technical File, Risk Assessment per Directive 2006/42/EC

Material Testing: SGS reports for fabric tensile strength, tear strength, adhesion, UV aging (QUV 5000hr), fire retardant (B1/M2), and waterproof rating

Structural Engineering: PE stamped calculations for frame, wind load to 100km/h, snow load to 0.5kN/sqm

Fire Safety: B1 DIN 4102-1 certificate, M2 NF P92-507 report, material batch traceability records

Export: Certificate of Origin, Form E (EUR.1), ISPM 15 Fumigation Certificate, Commercial Invoice template

Additional: Aluminum 6061 T6 mill certificates, powder coating quality report, welding procedure qualification

Why Documentation Matters

Clients receiving our complete documentation package report: 100% first-time customs clearance success, average 2-week reduction in venue permit approval time, zero insurance claim disputes due to verified structural certification, and simplified re-ordering with documented specifications. Your compliance file is maintained and updated annually, with re-certification documents automatically sent to active clients.
