Frequently Asked Questions

Q: Has this tent been used at real European weddings?

A: Yes. Our glass wall marquee was featured at a 200-guest Lake Como destination wedding, resulting in a 5-star venue rating and feature in European bridal magazines. References available upon request.

Q: Can the glass panels withstand strong winds?

A: The 8mm EN 12150 tempered safety glass is rated for wind loads up to 100km/h when installed in our certified aluminum frame system. Glass panels are individually replaceable if damage occurs.
