Frequently Asked Questions

Q: Can the branding be updated for different exhibitions?

A: Yes. PVC sidewall panels are designed for easy replacement. Order additional printed panels for each exhibition and swap them out. The aluminum frame remains the same.

Q: Is this compliant with European exhibition venue regulations?

A: Yes. Our structure is CE certified with B1 fire retardant PVC fabric, meeting all major European exhibition center requirements including Messe Munchen, Messe Frankfurt, and Fira Barcelona.
