Frequently Asked Questions

Q: Is the SGS inspection mandatory or optional?

A: Optional but highly recommended for first-time orders and large volume shipments. SGS inspection costs are transparent and included in your quotation upon request.

Q: Can I specify additional inspection criteria?

A: Yes. You can add specific test requirements beyond our standard protocol. We coordinate directly with SGS for your customized inspection scope.

Q: How does SGS inspection help with customs clearance?

A: The SGS report serves as independent evidence of product quality and specification compliance, often expediting EU customs clearance and resolving any valuation questions.
