Frequently Asked Questions

Q: Do you provide a REACH compliance declaration for customs?

A: Yes. Every shipment includes a signed REACH compliance declaration listing all regulated substances and their concentration levels, accepted by all EU customs authorities.

Q: How do you stay updated with the evolving SVHC candidate list?

A: Our SGS laboratory monitors ECHA updates. We re-test materials annually and whenever new substances are added to the candidate list, currently over 240 SVHCs.

Q: Is this required for all European tent imports?

A: REACH compliance is mandatory for all products sold in the EU. Our certification ensures your imports never face customs rejection or market surveillance penalties.
