Warranty	5 Years Frame / 3 Years PVC Cover

Product Advantages & Selling Points

EU Institutional Grade

Designed for Brussels' unique market as the EU capital — premium corporate events, diplomatic receptions, institutional conferences, and trade association gatherings requiring the highest standards of quality and presentation.

Corporate Identity Ready

Full custom RAL color matching for the aluminum frame and digital UV printing on PVC covers — showcase your brand or institutional identity with precision at Belgian trade fairs and corporate events.

Premium Glass Wall Option

Tempered glass wall panels create a sophisticated architectural appearance — ideal for Belgian corporate receptions, product launches at Tour & Taxis Brussels, and VIP lounges at Flanders Expo Ghent.

Executive Interior Finishing

Optional ceiling liner, carpet flooring, and integrated lighting tracks transform the tent into a professional conference or banquet venue — indistinguishable from permanent construction.

Full Permit Documentation

Complete technical dossier including TUV certification, fire safety (Belgian M1), wind load calculations, and structural drawings — meets the stringent requirements of Belgian institutional venue approval.

Brussels HQ Ready

Experience serving EU institutions, international organizations, and corporate headquarters in Brussels — we understand the procurement standards and documentation requirements of Belgian institutional clients.

Production Process

Step 1

Raw Material Inspection

Step 2

CNC Precision Cutting

Step 3

Aluminum Welding & Assembly

Step 4

PVC Fabric Cutting & Welding

Step 5

Quality Inspection & Packing

⚙️ Advanced CNC Manufacturing Facility

Our state-of-the-art production facility is equipped with precision CNC machinery to ensure every component meets the highest standards:

CNC Cutting Machines	High-precision CNC aluminum profile cutting with ± 0.1 mm tolerance
CNC Bending Machines	Automatic CNC tube and profile bending for consistent frame geometry
CNC Drilling & Tapping	Multi-axis CNC drilling centers for precise hole positioning
High-Frequency PVC Welding	Industrial-grade PVC fabric welding machines for waterproof seams
Automated Powder Coating Line	Full automated coating line for durable, corrosion-resistant finish

5-Year Quality Warranty

All our party marquee tents come with a comprehensive 5-year warranty on the aluminum frame structure and a 3-year warranty on PVC fabric covers. We stand behind every product we manufacture.

10+ Years Industry Experience

Established in 2015, Tendars Tent Limited has over a decade of expertise in designing, manufacturing, and exporting high-quality tent solutions to over 50 countries worldwide.

TUV Certification & Test Reports

Certification / Test	Standard	Description
TUV SUD Certification	EN 13782 / DIN 4112	Full structural safety certification for temporary structures — recognized across EU including Belgium
Wind Load Test Report	EN 1991-1-4 (Eurocode 1)	Verified wind resistance up to 100 km/h — suitable for Belgian coastal and inland conditions
PVC Fabric Fire Rating	DIN 4102 B1 / M1 (Belgian Norm NBN S21-203)	Flame retardant PVC fabric meeting EU and Belgian fire safety standards for public events

Waterproof Test	ISO 811 / EN 20811	Hydrostatic pressure resistance > 2000mm — fully waterproof for Belgian rainy climate
ISO 9001:2015	Quality Management	Certified quality management system covering design, production, and after-sales service
CE Marking	EU Regulation	Full CE compliance for free circulation in the EU and Belgian market

Factory & Company Strength

5,000+ m²

Production Facility

50+ Skilled Workers

Experienced Team

50+ Countries

Global Export Reach

500+ Sets/Month

Production Capacity

Frequently Asked Questions (FAQ)

Q1: Can this tent be used for corporate events at prestigious Brussels venues?

A: Absolutely. This premium model is specifically designed for high-end corporate and institutional events. With glass wall options, custom branding, and executive interior finishing, it meets the standards expected at venues like Tour & Taxis, Brussels Expo, and corporate headquarters across Belgium.

Q2: Do you provide installation for corporate events in Belgium?

A: We can coordinate with our network of Belgian installation partners or provide a technical supervisor to oversee your local crew. For large corporate projects, we offer turnkey solutions including delivery, installation, and post-event dismantling.

Q3: Can we brand the tent with our company logo and colors?

A: Yes, we offer full custom RAL color matching for the aluminum frame and high-resolution UV digital printing on the PVC covers. Your corporate identity can be prominently displayed — perfect for brand activation at Belgian trade fairs and promotional events.

Q4: What documentation is provided for Belgian institutional procurement?

A: We provide a comprehensive package: company registration documents, TUV and ISO certifications, Belgian M1 fire safety certificates, CE declarations of conformity, technical specifications, and commercial invoice documentation — meeting the requirements of Belgian public and institutional procurement procedures.

Q5: What is the lead time for custom corporate tent orders?

A: Custom orders with specific RAL colors and branding typically require 20-30 working days for production, plus 25-30 days sea freight to Antwerp. We recommend ordering 8-10 weeks before your event date to ensure timely delivery and setup.
