

Riyadh Jeddah Season Entertainment Festival Party Marquee Tent Large Capacity for Saudi Cultural Events KSA

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: ETENT
- Certification: TUV, CE, ISO 9001, Saudi General Entertainment Authority Compatible
- Model Number: ET-PM-SA3400
- Minimum Order Quantity: 1 Set
- Price: USD 32-68 per sqm
- Packaging Details: Heavy-Duty PE Film + Bubble Wrap + Wooden Pallet, Season Priority
- Delivery Time: 15-25 Working Days
- Payment Terms: T/T, L/C, Western Union
- Supply Ability: 5000 Sets per Month

Product Specification

- Frame Material: 6061-T6 Aluminum Alloy, Festival-Grade Reinforced Profile
- Cover Fabric: 850g/m² UV-Resistant PVC-Coated Polyester, Full Digital Print Ready
- Max Clear Span: Up To 20m — No Internal Columns
- Max Capacity: 5,000+ Visitors Per Section
- Modular Expansion: Unlimited Side-by-Side And End-to-End Connection
- Wind Resistance: Up To 90 Km/h
- Color Printing: Full-Spectrum Digital CMYK + White, Any Design, Any Scale
- Sidewall Options: Solid PVC, Transparent Window, Digital Print Backdrop, Mesh Screen
- Door Options: Grand Festival Entrance, Multiple Wide-Flow Entry Points, Roll-Up Service
- Warranty: 5 Years On Frame, 3 Years On Fabric
- Highlight: **Riyadh Jeddah festival party marquee tent,**

Product Description

Riyadh & Jeddah Season Entertainment Festival Marquee Tent — Powering Saudi Arabia's Entertainment Revolution

Saudi Arabia's Seasons initiative has unleashed an entertainment revolution — Riyadh Season alone attracted over 15 million visits with concerts, exhibitions, food festivals, and sporting spectacles that rival any global entertainment destination. The **Riyadh Jeddah Season Entertainment Festival Party Marquee Tent** is engineered for the unprecedented scale and spectacle of Saudi Seasons. With 20m clear spans, 5,000+ visitor capacity per section, unlimited modular expansion, and full-spectrum digital CMYK+White printing for immersive festival branding, this tent delivers world-class entertainment infrastructure while respecting Saudi cultural values with family-friendly zoning and privacy-conscious layouts.

From Riyadh Season's Boulevard World to Jeddah Season's Red Sea waterfront, Eastern Province Season celebrations to AIUla's Winter at Tantora festival — this tent powers the Kingdom's transformation into a global entertainment destination.

Technical Specifications

Parameter	Specification
Frame Material	6061-T6 Aluminum Alloy, Festival-Grade Reinforced Profile
Frame Connection	Industrial Hot-Dip Galvanized Steel Joints, High-Load Rated
Cover Fabric	850g/m ² UV-Resistant PVC-Coated Polyester, Full Digital Print Ready
Fabric Properties	Waterproof, UV Resistant, Flame Retardant (DIN 4102 B1), Anti-Fungal
Wind Resistance	Up to 90 km/h (EN 13782 Certified)
Color Printing	Full-Spectrum Digital CMYK + White, Any Design, Any Scale
Max Clear Span	Up to 20m — No Internal Columns for Festival Layout Flexibility
Max Capacity	5,000+ Visitors per Tent Section

Sidewall Options	Solid PVC, Transparent Window, Digital Print Backdrop, Mesh Screen
Door Options	Grand Festival Entrance, Multiple Wide-Flow Entry Points, Roll-Up Service
Warranty	5 Years on Frame, 3 Years on Fabric

Key Advantages for the Saudi Arabian Market

Saudi Season Festival Scale

20m clear spans, 5,000+ capacity per section, unlimited modular expansion. Engineered for the massive scale of Riyadh Season, Jeddah Season, and Saudi Arabia's growing entertainment calendar.

Immersive Festival Branding

Full-spectrum CMYK+White digital printing transforms every square meter of fabric into immersive festival branding. From Saudi heritage patterns to futuristic Vision 2030 themes — your tent becomes the visual centerpiece.

Rapid Season-To-Season Deployment

Color-coded components and efficient assembly sequences enable rapid deployment for back-to-back Saudi Seasons events. Designed for the operational reality of Saudi Arabia's packed entertainment calendar.

Saudi Family-Friendly Zoning

Flexible layout options support family areas, single-men zones where appropriate, and mixed entertainment spaces — all in compliance with Saudi General Entertainment Authority guidelines and cultural expectations.

Climate-Controlled Festival Comfort

AC ducting ports, high-volume ventilation, and UV-reflective roof keep 5,000+ guests comfortable even during Saudi summer festival events. Evaporative cooling compatible for large-scale outdoor operations.

Saudi GEA Documentation

Documentation package supporting Saudi General Entertainment Authority festival permits, Saudi Civil Defense safety approvals, and SASO import clearance — complete regulatory compliance for Saudi entertainment operations.

Designed for Saudi Entertainment Reality: Every feature — from festival-scale capacity to family-friendly zoning — is purpose-built for the specific requirements of Saudi Arabia's Seasons entertainment initiative.

TUV + GEA + Saudi Civil Defense: Full TUV Rheinland certification with documentation supporting Saudi General Entertainment Authority permits and Saudi Civil Defense festival safety approvals.

5-Year Festival Season Warranty: Comprehensive warranty covering the intensive Saudi Seasons deployment cycle with year-round support and rapid spare parts availability.

10+ Years Festival Tent Engineering: Over a decade creating large-scale entertainment structures for festivals, concerts, and cultural events worldwide.

Saudi Seasons Partner Program: Priority production scheduling for Saudi Seasons calendar, express Jeddah/Dammam shipping, and dedicated festival season project management.

Manufacturing Excellence — Our Production Process

Every tent is manufactured in our 20,000 sqm ISO-certified facility:

1

Festival-Grade Certified Materials

6061-T6 aluminum with reinforced profiles for high-traffic festival loads. 850g/m² digital-print-ready fabric tested for UV-stable color reproduction and festival fire safety.

2

CNC Precision Festival Frame Manufacturing

8 CNC machining centers produce reinforced festival-grade components to ± 0.1 mm tolerance. Large-span profiles precision-machined for 20m clear-span structural integrity.

3

Digital Festival Printing Excellence

CMYK+White digital printing with UV-stable pigment inks. Color accuracy verified against Pantone festival branding standards. Any design, any scale, any complexity.

4

High-Frequency Festival Fabric Welding

Printed fabric panels high-frequency welded with reinforced seams. Every seam tested for the repetitive stress of multi-event festival deployment and dismantling.

5

Full Pre-Assembly & Festival Safety QC

Complete pre-assembly with 78-point QC plus festival safety inspection. Maximum capacity verified, emergency exit routes tested, printed fabric color accuracy confirmed.

6

Saudi Seasons Coordinated Logistics

Components organized by festival section for efficient build sequencing. Sea freight to Jeddah and Dammam ports timed for Saudi Seasons calendar coordination.

Our Factory — 10+ Years of Expertise

Factory Feature	Details
Established	2013 — Over 10 Years of Industry Experience
Factory Area	20,000+ sqm Production Facility
Production Capacity	5,000+ Tent Sets per Month
Workforce	150+ Skilled Workers & Engineers
R&D Team	12 Dedicated Design & Structural Engineers
CNC Machines	8 CNC Machining Centers, 3 High-Frequency Welding Lines
Quality System	ISO 9001:2015 Certified Quality Management
Export Markets	50+ Countries including Saudi Arabia, UAE, Qatar, Kuwait, Oman, Europe, North America
Annual Export Volume	USD 15 Million+ in Tent Products

Certifications & Test Reports

TUV Rheinland

CE Marking (EU)

ISO 9001:2015

EN 13782 Wind Test

DIN 4102 B1 Fire

REACH

RoHS

Certificate	Standard	Scope
TUV Rheinland	Structural Safety & Material Testing	Frame Strength, Wind/Sand Load, Durability, UV Resistance
CE Certification	EU Construction Products Regulation	Full Tent System Compliance
ISO 9001:2015	Quality Management System	Design, Manufacturing, Sales & After-Sales
EN 13782	Temporary Structures — Tents	Wind Resistance Verified (Gulf & Desert Applicable)
DIN 4102 B1	Fire Behavior	PVC Fabric Flame Retardancy Class B1
SASO Compatible	Saudi Standards, Metrology and Quality Organization	Saudi Import & Safety Documentation Package

5-Year Warranty Commitment

Component	Warranty Period	Coverage
Aluminum Frame	5 Years	Manufacturing defects, structural failure, corrosion protection (desert environment rated)
PVC Fabric Cover	3 Years	Material delamination, seam failure, excessive UV degradation (Saudi sun rated)
Steel Connectors & Hardware	5 Years	Corrosion beyond normal wear, mechanical failure, sand abrasion protection
Spare Parts Availability	10+ Years	Guaranteed spare parts supply, express shipping to Saudi Arabia via Dammam/Jeddah ports

Pre-Sales & After-Sales Service

Pre-Sales Consultation	Free expert consultation for Saudi market requirements, SASO import guidance, and Saudi Building Code (SBC) compliance documentation.
Custom Design Service	CAD drawings and 3D renderings. Custom colors, Islamic geometric patterns, and Arabic calligraphy branding for Saudi market identity.
Sample Service	Fabric swatches and frame samples available. Factory visit or live video tour. GCC and Saudi reference projects upon request.
Installation Support	Installation manual in English and Arabic. Video guide and remote technical support for first assembly in Saudi Arabia.
On-Site Engineering	Engineer dispatch available for large Saudi projects. Professional crew training. Experience with Saudi mega-project requirements.
After-Sales Response	Dedicated account manager. 24-hour email response. 48-hour spare parts dispatch to Riyadh, Jeddah, and Dammam.
Saudi Climate Maintenance Guide	Customized care instructions for Saudi climate zones — from Riyadh's desert interior to Jeddah's humid coast to NEOM's mountain environment.

Frequently Asked Questions

Q1: Can this tent handle the scale of Riyadh Season events?

Yes. 20m clear spans with unlimited modular expansion accommodate 5,000+ visitors per section. Multiple connected sections have supported events exceeding 50,000 visitors — matching Saudi Seasons' world-class scale.

Q2: Can the entire tent be branded with our festival identity?

Yes. Full-spectrum CMYK+White digital printing on all fabric surfaces — roof, walls, and interior — transforms the tent into immersive festival branding. Custom designs from Saudi heritage motifs to Vision 2030 futuristic themes.

Q3: Is the tent compliant with Saudi General Entertainment Authority requirements?

Yes. Documentation package supports GEA festival permits including structural safety, fire safety (DIN 4102 B1), and capacity certifications. We provide complete regulatory documentation for Saudi entertainment operations.

Q4: Can the layout support Saudi family-friendly entertainment requirements?

Yes. Flexible zoning configurations support family areas, single sections, and mixed entertainment spaces in compliance with GEA guidelines and Saudi cultural expectations.

Q5: What is delivery time for Saudi Seasons events?

Production: 15-25 working days. Digital printing adds 7-10 days. Sea freight to Jeddah or Dammam: 20-25 days. Recommend ordering 3-4 months before season launch for full production and setup coordination.

Q6: What is the minimum order quantity?

No minimum — we serve individual Saudi event companies and thousand-unit festival infrastructure deployments.

Q7: Can the tent be used for multiple Saudi Seasons across the year?

Yes. The festival-grade construction is designed for repeated deployment across Riyadh Season, Jeddah Season, Eastern Province Season, and other seasonal events — maximizing ROI across the full Saudi entertainment calendar.

Q8: Is Arabic-language documentation available for Saudi event teams?

Yes. All documentation — assembly guides, safety protocols, and festival operation manuals — provided in English and Arabic for Saudi entertainment workforce training.
