

Quick Setup Folding Party Marquee Tent Thailand Festival Market Stall Canopy Pop Up Shelter Portable

Our Product Introduction

for more products please visit us on marquees-tent.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: ECER
- Certification: TUV, ISO 9001:2015
- Model Number: PMT-TH04-QS
- Minimum Order Quantity: 1 Set
- Price: USD 450-2500 / Set
- Packaging Details: Wheeled heavy-duty carry bag with PE liner, frame in reinforced export carton, quick-start guide included
- Delivery Time: 7-15 working days after order confirmation
- Payment Terms: T/T, L/C, PayPal, Western Union
- Supply Ability: 500 Sets per Month

Product Specification

- Frame Material: 6061-T6 Aluminum Alloy
- Fabric Material: 750g/m² PVC Laminated Fabric
- Connector System: Push-Button Quick Lock (Tool-Free)
- Waterproof Rating: 100% Waterproof (EN 20811)
- UV Protection: UPF 50+ UV Block
- Setup Time: 8-12 Minutes (2 Persons, No Tools)
- Portability: Folding Design With Wheeled Carry Bag
- Color Options: White, Red, Blue, Yellow, Custom Colors
- Highlight: **Quick setup folding party marquee tent,
Portable festival market stall canopy,
Pop up shelter with warranty**

Our Prod

Product Description

Our **Quick Setup Folding Party Marquee Tent** is the ultimate mobile shelter solution for Thailand vibrant street market and festival cultui

Engineered for vendors who set up and pack down daily — Chatuchak weekend market sellers, Loy Krathong festival food stalls, Songkran celebration booths, and traveling night market operators from Chiang Mai to Hat Yai. The revolutionary push-button frame assembles in under 10 minutes by just 2 persons with zero tools required. The folding design with wheeled carry bag fits into a standard pickup truck — the preferred transport for Thailand market vendors.

Built for Thailand Market Life: 10-minute tool-free setup means you are ready to sell faster. Folds into a wheeled bag that fits any pickup truck or tuk-tuk. 750g/m² waterproof fabric protects your merchandise during sudden rain. Bright color options match Thailand vibrant market aesthetics.

10-Minute Tool-Free Setup

Revolutionary push-button connector system. Simply click tubes into place — no screws, no wrenches, no tools. Two people assemble a full tent in 8-12 minutes for Thailand bustling market mornings.

Pickup-Truck Portable Design

Folding frame collapses into compact size with wheeled carry bag. Fits standard Thailand pickup truck bed, tuk-tuk, or minivan. Perfect for traveling market vendors moving between locations.

Merchandise Weather Protection

750g/m² PVC fabric with EN 20811 waterproof certification. Keeps your goods, food products, and displays dry during Thailand unexpected tropical showers.

All-Day Sun Protection

UPF 50+ UV-blocking fabric reduces under-canopy temperature significantly. Essential for Thailand outdoor markets operating from 8am to 8pm under intense tropical sun.

Vibrant Thailand Market Colors

Available in bright red, blue, yellow, and white — matching Thailand market aesthetics. Custom printing for your shop name, brand logo, or product graphics to attract customers.

Daily Setup Durability

Push-button connectors cycle-tested for 10,000+ engagements. Built for vendors who set up and pack down every day — proven reliability for Thailand market life.

Parameter	Specification
Frame Material	6061-T6 Aluminum Alloy (Anodized)
Connector System	Push-Button Quick Lock (Tool-Free)
Fabric Material	750g/m² PVC Laminated Fabric
Waterproof Rating	100% Waterproof (EN 20811 Certified)
UV Protection	UPF 50+ (Blocks 98% UV)
Setup Time	8-12 Minutes (2 Persons, No Tools)
Frame Diameter	50mm Main Pole
Fire Rating	B1/M2 Flame Retardant
Wind Resistance	Up to 70km/h with Proper Anchoring
Portability	Wheeled Carry Bag Included

Precision manufacturing with CNC technology and 12-stage QC for market-ready durability.

1

Raw Material Inspection

6061-T6 aluminum and 750g/m² PVC fabric tested for tensile strength, UV resistance, fire retardancy, and connector cycle durability before production.

2

CNC Precision Tube Cutting

Aluminum tubes precisely cut to ±0.1mm using 5-axis CNC machining centers for perfect push-button connector compatibility.

3

CNC Hole Drilling & Chamfering

Push-button lock holes drilled, chamfered, and deburred by CNC machines ensuring smooth button engagement every cycle.

4

Anodizing Treatment

15µm anodized coating applied for corrosion resistance in Thailand humid environment and frequent handling.

5

Connector Injection Molding

High-strength nylon PA6 connectors with integrated spring-loaded locking buttons. Each connector cycle-tested for 10,000+ engagements.

6

Fabric CNC Cutting & Welding

PVC fabric precision-cut by CNC fabric cutter, seams permanently sealed by high-frequency heat welding for 100% waterproof integrity

7

UV Stabilization Treatment

Industrial UV stabilizers applied and tested under 1000+ hours accelerated weathering for Thailand all-day sun exposure.

3

Push-Button Function Test

Every connector tested for smooth button operation, locking security, and release function before frame assembly.

9

Water Spray Test

30-minute pressurized water spray test at 200mm/h verifying zero leakage at all seam points.

10

TUV Certification Inspection

Independent TUV Rheinland verification of EN 13782, EN 15619, EN 20811, and fire retardancy standards.

11

Final Quality Audit

100% inspection of push-button mechanisms, fabric seams, frame finish, wheeled bag function, and accessory completeness.

12

Export Packaging

Professional packaging with wheeled carry bag, reinforced export carton, quick-start pictorial guide, and moisture-proof protection.

15,000m² Manufacturing Facility

Modern production base with dedicated CNC machining, injection molding, fabric welding, and assembly workshops under ISO 9001:2015 quality management.

Advanced CNC Equipment

5-axis CNC machining centers, CNC fabric cutters, high-frequency welding machines, injection molding machines, and automated anodizing line.

10+ Years Industry Expertise

Over a decade manufacturing quick-setup marquee tents for market vendors, event companies, and hospitality businesses across 50+ countries.

500 Sets Monthly Capacity

High-volume production with rapid turnaround. Capable of fulfilling large Thailand market vendor association and festival organizer orders.

TUV Certified Quality

TUV Rheinland certified products. ISO 9001:2015 quality management. Connector cycle testing exceeds 10,000 engagements for proven reliability.

Thailand Market Specialist

Dedicated Thailand team understanding local market culture, vendor requirements, and festival event logistics across all regions.

- TUV Rheinland Certified
- ISO 9001:2015
- B1/M2 Fire Retardant
- EN 20811 Waterproof
- * UPF 50+ Test Report
- Connector Cycle Test 10K+
- UV Aging 1000h+
- EN 13782 Compliant

Complete certification package with connector durability test reports. Pre-shipment inspection by TUV, SGS, or Bureau Veritas welcomed for Thailand bulk orders.

Service Item	Coverage	Response Time
Aluminum Frame Structure	5-year warranty (manufacturing defects, corrosion)	48-Hour Response
Push-Button Connectors	5-year warranty (mechanism failure, breakage)	48-Hour Response
PVC Fabric Cover	3-year warranty (UV degradation, delamination)	48-Hour Response
Wheeled Carry Bag	2-year warranty (zipper, wheel, handle failure)	48-Hour Response
Spare Parts Supply	10-year guaranteed spare parts availability	3-Day Dispatch
Technical Support	Lifetime free consultation and usage guidance	24-Hour Response

Market Vendor Consultation

Free assessment of your Thailand market stall requirements — merchandise type, foot traffic, weather exposure, and daily setup frequency — for optimal tent recommendation.

Stall Branding & Design

Custom logo printing, shop name graphics, and product imagery on your tent canopy and sidewalls. Free 3D design mockup for your approval.

Thailand Door-to-Door Delivery

Coordinated logistics to all Thailand provinces including market vendor communities in Bangkok, Chiang Mai, Phuket, and regional centers.

Quick Setup Training

Pictorial assembly guide, HD video with Thai subtitles, and 5-minute live video call training for your staff. Master the setup in one session.

30-Day Replacement Guarantee

Free express replacement for any manufacturing defect within 30 days. Priority air freight to Thailand for market vendors who cannot afford downtime.

Thailand Vendor Support Line

WhatsApp/Line/WeChat support in English and Thai. 2-hour response during Thailand business hours (ICT, GMT+7) for market-day emergencies.

Q:Can one person set up this tent alone at Chatuchak market?

A: While designed for 2-person setup, experienced vendors can set it up solo in about 15 minutes. The push-button connectors and lightweight aluminum frame make solo assembly manageable. We include a pictorial quick-start guide and video tutorial with Thai subtitles.

Q:Will the tent fit in my pickup truck for traveling between night markets?

A: Yes. The folding frame collapses into a compact wheeled carry bag that fits standard Thailand pickup truck beds (both single and extended cab models). The bag dimensions and weight are optimized for truck transport — preferred by traveling market vendors across Thailand.

Q:What is the minimum order quantity for Thailand market vendors?

A: We accept orders from just 1 set. Whether you are an individual vendor at Chatuchak or running multiple stalls across Thailand night markets, we accommodate all order sizes. Volume discounts from 10+ sets for vendor associations.

Q:Can you print my shop name and logo on the tent?

A: Yes, we offer full digital printing of your shop name, logo, product images, and contact details on the canopy, sidewalls, and valance. Free 3D design proof provided. Custom printing available from just 1 set for sample orders.

Q:Is the tent durable enough for daily setup and pack-down at Thailand markets?

A: Absolutely. Our push-button connectors are cycle-tested for 10,000+ engagements — equivalent to over 13 years of daily use. The anodized aluminum frame and reinforced fabric connections are specifically engineered for vendors who set up and pack down every day.

Q:What warranty covers connectors that are used every day?

A: Push-button connectors are covered by our 5-year warranty including mechanism failure and breakage — even with daily use. Spare connectors are guaranteed available for 10 years. We also ship replacement connectors within 3 days if ever needed.

Q:How quickly can you deliver to Thailand if I need tents for an upcoming festival?

A: Standard sea freight: 7-10 days to Bangkok. Urgent air freight: 3-5 days for festival deadlines like Loy Krathong or Songkran. We also maintain ready stock inventory of popular models for immediate dispatch to Thailand.

Contact our Thailand market specialists for a customized quotation, personalized branding design, and bulk pricing for market vendor associations.
