Production Process

Every tent is produced in our own factory with advanced CNC machinery and strict process control. Our standard production flow:

Step 1: Artwork confirmation and design proof

Step 2: CNC cutting of aluminum frame profiles

Step 3: CNC drilling, punching and welding of frame

Step 4: PVC fabric cutting and digital printing of branding

Step 5: High-frequency welding of printed panels

Step 6: Frame assembly and hardware fitting

Step 7: Print quality inspection and 100% QC

Step 8: Packing and shipping
