

Commercial Double Roof Party Marquee Tent UV Resistant PVC Cover Galvanized Frame Event Shelter

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Marquees-Tent
- Certification: TUV, ISO 9001:2015
- Model Number: MT-PM-05
- Minimum Order Quantity: 1 Set
- Price: USD 150-800 / Set
- Packaging Details: Frame in export carton, PVC cover in carry bag, optional wooden crate
- Delivery Time: 5-10 working days after deposit
- Payment Terms: T/T, L/C, PayPal, Western Union
- Supply Ability: 2000 Sets per Month

Product Specification

- Frame Material: Galvanized Steel
- Roof Cover: UV Resistant PVC Coated Polyester
- Roof Design: Double Roof With Insulation Air Gap
- Waterproof: 100% Waterproof
- UV Resistance: High UV Protection
- Fire Retardant: DIN 4102 B1
- Warranty: 5 Years
- Highlight: **Commercial double roof party marquee tent,
UV resistant PVC cover event shelter,
Galvanized frame party marquee tent**

Product Description

Commercial Double Roof Party Marquee Tent UV Resistant PVC Cover Galvanized Frame Event Shelter

This commercial double roof party marquee tent features a double roof design that improves thermal insulation and reduces heat build up, while the UV resistant PVC cover and galvanized steel frame deliver outstanding durability. It is the professional choice for long term outdoor events, exhibitions and commercial venues.

Product Advantages & Selling Points

- ✓ Double roof design for better thermal insulation and airflow
- ✓ UV resistant PVC cover protects against strong sunlight
- ✓ Strong galvanized steel frame for heavy duty use
- ✓ Stable and durable for long term outdoor installation
- ✓ Professional appearance for commercial and event use

Roof Design	Double Roof with Insulation Air Gap
Waterproof	100% Waterproof
UV Resistance	Yes, High UV Protection
Fire Retardant	DIN 4102 B1 / M2
Color	White / Custom Colors
Warranty	5 Years on Frame & Structure

Production Process

Every tent is produced in our own factory with advanced CNC machinery and strict process control. Our standard production flow:

Step 1: CAD design of double roof structure

Step 2: CNC cutting of galvanized steel profiles

Step 3: CNC drilling and punching of steel frame tubes

Step 4: Welding, galvanizing and surface treatment

Step 5: PVC fabric cutting and high-frequency welding

Step 6: Double roof assembly and hardware fitting

Step 7: Load test and 100% pre-shipment inspection

Step 8: Export packing and shipping

Quality Control, TUV Certificate & Test Reports

- ✓ TUV certified production and materials
- ✓ Double roof insulation performance verified
- ✓ 100% pre-shipment inspection on every order
- ✓ Galvanized coating thickness tested
- ✓ ISO 9001:2015 certified quality management system

5-Year Warranty

We stand behind our workmanship. Every {cat} comes with a **5-year structural warranty** covering the frame, fittings and welding, plus a separate warranty on the PVC cover. If any manufacturing defect appears, we repair or replace the affected parts free of charge.

Factory & Company Strength

- ✓ 10+ years of experience in commercial tent manufacturing
- ✓ 20,000 m² factory with CNC cutting and welding equipment
- ✓ Exported commercial tents to 60+ countries
- ✓ Professional engineering team for large structures
- ✓ Monthly capacity of over 2,000 tent sets

Pre-Sales & After-Sales Services

Pre-sales service:

- ✓ Free layout and structural design
- ✓ Free fabric and frame samples on request
- ✓ Custom insulation and accessory options
- ✓ Quotation within 24 hours

After-sales service:

- ✓ Installation manual and on-site guidance support
- ✓ Replacement parts and roof covers
- ✓ Technical support for long term installation
- ✓ 5-year structural warranty

Built for the Ukraine Market

- ✓ Double roof improves insulation for cold winters
- ✓ UV protection suits sunny summer events
- ✓ Fast delivery to Ukrainian ports and cities
- ✓ CE and TUV compliant for smooth import

Packaging & Shipping

Galvanized frame packed in export cartons, PVC cover in carry bag, with optional wooden crate packaging for heavy duty frames.
