Product Description

Product Overview

The Tendars Party Marquee Tent with panoramic clear side walls turns any garden, terrace or hotel courtyard into a premium dining and reception venue. Guests enjoy unobstructed views of the surroundings while staying warm, dry and protected. It is a favorite of Turkish hotels, wedding venues and high-end restaurants from Istanbul to Antalya.

Designed for the Turkey Market

Turkish weddings are large, multi-day celebrations held outdoors from spring to autumn - our marquee tents provide shade, style and weather protection for bridal parties of 200 to 2,000 guests

Coastal cities such as Istanbul, Antalya, Izmir and Bodrum face strong sea breezes; reinforced frames and pre-tensioned covers keep the tent stable

Hot summer sun in Anatolia is blocked by 650-850 g/sqm double PVC fabric with UV-resistant coating

Sudden rain showers are no risk: welded seams and waterproof covers keep guests and furniture dry

Bayram and festival gatherings, garden restaurants and hotel events all use our quick-install party tents

We ship regularly to Turkey via Istanbul and Mersin ports with full export documentation
