

Gastronomy Food Festival Aluminum Alloy Party Marquee Tent for Peru Fairs

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Tendars
- Certification: ISO 9001:2015, CE, SGS, TUV
- Model Number: AL-PMT
- Minimum Order Quantity: 1 Set (flexible; fleet orders welcome)
- Price: USD 2,500 - 18,000 / Set (by size & modules)
- Packaging Details: Frame and covers packed separately for container efficiency; hardware in labeled carton; export-grade sea-worthy packing
- Delivery Time: 7-15 days for stock items, 20-35 days for production orders
- Payment Terms: T/T, L/C, PayPal, Western Union, Trade Assurance
- Supply Ability: 500 Sets per Month

Product Specification

- Frame Material: Hard-pressed Extruded Aluminum Alloy 6061/T6
- Surface: Smooth Wipe-clean PVC (food-event Friendly)
- Modules: 3m / 5m Add-on Bays, Widthwise Joining Available
- Interior: 100% Clear Span, No Interior Poles
- Roof Cover: 850gsm Double PVC-coated Polyester, UV Treated
- Wall Options: PVC / Glass / ABS / Mesh For Ventilation
- Span Range: Custom 3m To 40m
- Fire Retardant: DIN 4102 B1 / M2 / NFPA 701
- Color Options: White, Grey, Black, Custom Pantone
- Branding: Printed Logos And Graphics Available
- Warranty: Written Structural Warranty
- OEM/ODM: Available

Product Description

ALUMINUM ALLOY MARQUEE TENT MANUFACTURER · PERU MARKET

A hygienic, wipe-clean aluminum marquee built for Peru's world-famous food scene — from Mistura-style gastronomy fairs to regional markets and food festivals.

Hygienic

WIPE-CLEAN PVC SURFACE

Modular

GROW WITH THE FAIR

100%

COLUMN-FREE INTERIOR

Fast

QUICK-LOCK ASSEMBLY

Overview

Peru's cuisine is celebrated worldwide, and its food events — from large gastronomy fairs to regional markets — demand clean, flexible, weatherproof spaces. This **gastronomy and food-festival aluminum party marquee tent** is designed around hygiene and layout flexibility: smooth wipe-clean PVC surfaces, a column-free interior for stalls and seating, and a **6061/T6 aluminum frame** for rental-grade durability.

Roof and wall configurations can channel airflow and light, while modular bays let you scale the space from a compact market stand to a full festival hall.

Why It Works for Peruvian Food Events

Hygiene-first: wipe-clean PVC surfaces help meet food-safety expectations.

Flexible layout: column-free interior fits stalls, cooking stations, seating and stages.

Weatherproof: waterproof roof and UV-treated fabric for long outdoor days.

Modular scaling: add bays to grow with the fair, then reconfigure for the next event.

Vent & light options: mesh walls and clear panels keep the space airy and bright.

Clients searching "*carpas para ferias gastronómicas*" or "*carpas para eventos en Perú*" will find exactly this product.

Product Advantages

Hygienic & food-ready: smooth PVC that wipes clean between events.

Column-free interior: maximum usable floor for stalls, bars and seating.

Modular & expandable: scale to any fair size, reconfigure as needed.

Efficient logistics: compact packing lowers your landed cost.

Brandable: printed logos and graphics turn tents into signage.

Full accessories: flooring, lighting, counters and doors.

Technical Specifications

Frame Material	Hard-pressed extruded aluminum alloy 6061/T6
Surface	Smooth wipe-clean PVC (food-event friendly)
Modules	3 m / 5 m add-on bays, widthwise joining available
Interior	100% clear span, no interior poles
Roof Cover	850 g/sqm double PVC-coated polyester, UV treated
Wall Options	PVC / glass / ABS / mesh for ventilation
Span Range	Custom from 3 m to 40 m
Fire Retardant	DIN 4102 B1 / M2 / NFPA 701 compliant
Color Options	White, grey, black, custom Pantone
Branding	Printed logos and graphics available

Typical Applications in Peru

Gastronomy fairs and food festivals
Regional and farmers markets
Wine, pisco and beverage events
Culinary competitions and cooking demos
Corporate catering and hospitality events

Customization & Branding

Custom span, height and bay length
Printed logos and full-color graphics
Mesh, glass or PVC wall combinations for airflow
Counters, flooring and lighting packages
Doors, windows, gutters and drainage
Signage and wayfinding integration

Why Trust Us — E-E-A-T at a Glance

Choosing a marquee supplier is a long-term decision. Here is exactly how we earn the trust of event companies, rental firms and project contractors across Latin America.

Experience — over 10 years, 1,000+ delivered projects

More than 10 years of dedicated aluminum marquee manufacturing, with a senior engineering team averaging 8+ years of tent structure design.

1,000+ events and projects supplied worldwide, including tents now operating in Peru and across South America.

Event companies in Peru use our marquees for gastronomy fairs and food festivals across the country.

Expertise — engineered, not just assembled

- In-house structural calculations for wind and snow loads; frame profiles stress-tested before release.
- Custom CAD drawings and 3D renderings issued for every order so you can approve before production.
- Engineers who understand event logistics, sea freight and site installation.

Authoritativeness — certified and standard-compliant

- Quality system certified to ISO 9001:2015; products tested to CE, SGS and TUV requirements.
- Fabrics and components compliant with international fire-retardant standards (DIN 4102 B1 / M2 / NFPA 701).
- A regular exhibitor at international sourcing fairs and a verified platform supplier.

Trust — transparent from quotation to after-sales

- Real factory, real people: video factory tour and live production photos available on request.
- Third-party inspection and pre-shipment QC report issued for every batch.
- Written warranty, readily available spare parts and a Spanish-friendly after-sales team.

Aluminum vs Steel vs Pop-up Tents

Not all event structures are equal. Here is why an aluminum-frame marquee is the better long-term choice than steel or cheap pop-up tents:

Weight & Handling	Aluminum frame — lighter, faster to transport and erect with fewer people
Corrosion	Aluminum — resists rust; ideal for humid and coastal Peru
Assembly	Keder roof and quick-lock joints — hours, not days
Service Life	Rental-grade aluminum — survives repeated setup and takedown
Customization	Any span, color, branded print and full accessory range
Resale / Rental Value	Strong — aluminum frames hold value across many seasons

What’s Included in Every Order

- Aluminum frame (6061/T6) with all connectors and hardware
- Heavy-duty PVC roof cover (850 g/sqm, UV treated)
- Side-wall options (PVC / glass / ABS / mesh, removable)
- Illustrated assembly manual and install video
- Spare parts kit and anchor set
- Export packing and full shipping documents

Shipping & Installation to Peru

We ship to Peru regularly and understand the local import flow. Your goods can be delivered FOB to a Chinese port or CIF/DDP to a Peruvian destination, whichever suits your business best.

Main Peruvian Sea Ports	Callao · Paita · Salaverry · Matarani · Ilo
Container Loading	Standard 20GP / 40GP / 40HQ; frame and covers packed separately to save space

Packing	Frame in bundle with protective wrap; PVC fabric in woven bag; hardware in carton
Lead Time	Stock items 7–15 days; production orders 20–35 days after deposit
Documents	Commercial invoice, packing list, B/L, certificate of origin, test reports
Installation Support	A modular assembly guide is included; Step-by-step manual and install video included; remote guidance available.

Frequently Asked Questions — Decision Support

Is the tent suitable for food events?

Yes. Smooth wipe-clean PVC surfaces and a flexible column-free layout make it ideal for gastronomy fairs, markets and catering events.

Can the layout be customized for stalls?

Yes. The column-free interior and modular bays let you arrange stalls, cooking stations and seating however you need.

Does it provide ventilation?

Yes. Mesh walls and clear panels can be added to keep the space airy and bright.

How large can it get?

It scales almost without limit by adding bays lengthwise and joining units widthwise.

Do you deliver to Peru?

Yes — we quote FOB, CIF or DDP and can arrange delivery to your city or event site across Peru.

What is the minimum order quantity?

Flexible — from a single unit to a full event fleet. Contact us for an exact quote.

Tell us your event type, preferred dimensions and quantity — our engineers reply within 24 hours with drawings, pricing and a shipping plan to Peru.
