

Carnival Festival Aluminum Alloy Party Marquee Tent for Ecuador Outdoor Events

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Tendars
- Certification: ISO 9001:2015, CE, SGS, TUV
- Model Number: AL-PMT
- Minimum Order Quantity: 1 Set (flexible; fleet orders welcome)
- Price: USD 2,500 - 18,000 / Set (by size & modules)
- Packaging Details: Frame and covers packed separately for container efficiency; hardware in labeled carton; export-grade sea-worthy packing
- Delivery Time: 7-15 days for stock items, 20-35 days for production orders
- Payment Terms: T/T, L/C, PayPal, Western Union, Trade Assurance
- Supply Ability: 500 Sets per Month

Product Specification

- Frame Material: Hard-pressed Extruded Aluminum Alloy 6061/T6
- Modules: 3m / 5m Add-on Bays, Widthwise Joining Available
- Interior: 100% Clear Span, No Interior Poles
- Roof Cover: 850gsm Double PVC-coated Polyester, UV Treated
- Branding: Full-colour Printing On Roof And Walls
- Wall Options: PVC / Mesh / Glass / ABS, Removable
- Span Range: Custom 3m To 40m
- Wind Resistance: Engineered Up To 100km/h With Proper Anchoring
- Fire Retardant: DIN 4102 B1 / M2 / NFPA 701
- Packing: Frame And Covers Packed Separately
- Warranty: Written Structural Warranty
- OEM/ODM: Available

Product Description

ALUMINUM ALLOY MARQUEE TENT MANUFACTURER · ECUADOR MARKET

A large-crowd, colorful-branded aluminum marquee built for Ecuador's festivals and carnivals — from Ambato's Flowers & Fruit Festival to national fiestas and parades.

Large Crowd

FAIRS & FESTIVALS

Brandable

FULL-COLOR PRINTING

Modular

GROW WITH THE EVENT

Fast

QUICK-LOCK ASSEMBLY

Overview

Ecuador celebrates with colour and energy — Ambato's Fiesta de las Flores y las Frutas, Carnival parades, Mama Negra and hundreds of local fiestas. These events need big, weatherproof, brandable spaces that go up fast. This **carnival and festival aluminum party marquee tent** is built exactly for that: a modular **6061/T6 aluminum frame**, full-colour printed covers and a column-free interior for crowds, stalls, stages and seating.

Because it is modular, one fleet scales from a modest community fair to a city-wide festival, and printed branding turns every tent into moving signage for your event or sponsors.

Why It Works for Ecuadorian Festivals

Crowd-ready: large, open, column-free spaces that fit thousands of visitors.

Brandable: full-colour printing on roof and walls for sponsors and event identity.

Fast deployment: keder roofs and quick-lock joints cut setup time between shows.

Weatherproof: waterproof roof and UV-treated fabric for all-day outdoor events.

Modular & reusable: reconfigure and reuse across many festivals each year.

Clients searching "*carpas para ferias en Ecuador*" or "*carpas para eventos grandes*" will find exactly this product.

Product Advantages

Large capacity: scales from community fairs to city festivals.

Full-colour branding: printed covers become event and sponsor signage.

Column-free interior: space for crowds, stalls, stages and seating.

Fast & modular: quick setup and easy reconfiguration between events.

Weatherproof & durable: built for repeated festival use.

Full accessories: flooring, lighting, staging and doors.

Technical Specifications

Frame Material	Hard-pressed extruded aluminum alloy 6061/T6
Modules	3 m / 5 m add-on bays, widthwise joining available
Interior	100% clear span, no interior poles
Roof Cover	850 g/sqm double PVC-coated polyester, UV treated
Branding	Full-colour printing on roof and walls
Wall Options	PVC / mesh / glass / ABS, removable
Span Range	Custom from 3 m to 40 m
Wind Resistance	Engineered up to 100 km/h with proper anchoring
Fire Retardant	DIN 4102 B1 / M2 / NFPA 701 compliant
Packing	Frame and covers packed separately for container efficiency

Typical Applications in Ecuador

- Carnival parades and national fiestas
- Ambato Flowers & Fruit and regional festivals
- Expos, trade fairs and markets
- Concerts and cultural events
- Sponsor and brand activation spaces

Customization & Branding

- Custom span, height, bay length and capacity
- Full-colour printed logos and graphics
- Mesh, glass or PVC wall combinations
- Interior linings and sponsor backdrops
- Doors, windows, gutters and drainage
- Flooring, staging and lighting packages

Why Trust Us — E-E-A-T at a Glance

Choosing a marquee supplier is a long-term decision. Here is exactly how we earn the trust of event companies, rental firms and project contractors across Latin America.

Experience — over 10 years, 1,000+ delivered projects

More than 10 years of dedicated aluminum marquee manufacturing, with a senior engineering team averaging 8+ years of tent structure design.

1,000+ events and projects supplied worldwide, including tents now operating in Ecuador and across South America.

Festival organizers and event companies in Ecuador use our modular marquees for national fiestas and carnivals.

Expertise — engineered, not just assembled

- In-house structural calculations for wind and snow loads; frame profiles stress-tested before release.
- Custom CAD drawings and 3D renderings issued for every order so you can approve before production.
- Engineers who understand event logistics, sea freight and site installation.

Authoritativeness — certified and standard-compliant

- Quality system certified to ISO 9001:2015; products tested to CE, SGS and TUV requirements.
- Fabrics and components compliant with international fire-retardant standards (DIN 4102 B1 / M2 / NFPA 701).
- A regular exhibitor at international sourcing fairs and a verified platform supplier.

Trust — transparent from quotation to after-sales

- Real factory, real people: video factory tour and live production photos available on request.
- Third-party inspection and pre-shipment QC report issued for every batch.
- Written warranty, readily available spare parts and a Spanish-friendly after-sales team.

Aluminum vs Steel vs Pop-up Tents

Not all event structures are equal. Here is why an aluminum-frame marquee is the better long-term choice than steel or cheap pop-up tents:

Weight & Handling	Aluminum frame — lighter, faster to transport and erect with fewer people
Corrosion	Aluminum — resists rust; ideal for humid and coastal Ecuador
Assembly	Keder roof and quick-lock joints — hours, not days
Service Life	Rental-grade aluminum — survives repeated setup and takedown
Customization	Any span, color, branded print and full accessory range
Resale / Rental Value	Strong — aluminum frames hold value across many seasons

What’s Included in Every Order

- Aluminum frame (6061/T6) with all connectors and hardware
- Heavy-duty PVC roof cover (850 g/sqm, UV treated)
- Side-wall options (PVC / glass / ABS / mesh, removable)
- Illustrated assembly manual and install video
- Spare parts kit and anchor set
- Export packing and full shipping documents

Shipping & Installation to Ecuador

We ship to Ecuador regularly and understand the local import flow. Your goods can be delivered FOB to a Chinese port or CIF/DDP to an Ecuadorian destination (the country uses the US dollar), whichever suits your business best.

Main Ecuadorian Sea Ports	Guayaquil · Puerto Bolívar · Manta · Esmeraldas
Container Loading	Standard 20GP / 40GP / 40HQ; frame and covers packed separately to save space

Packing	Frame in bundle with protective wrap; PVC fabric in woven bag; hardware in carton
Lead Time	Stock items 7–15 days; production orders 20–35 days after deposit
Documents	Commercial invoice, packing list, B/L, certificate of origin, test reports
Installation Support	A modular assembly guide is included; Step-by-step manual and install video included; remote guidance available.

Frequently Asked Questions — Decision Support

Can it handle large crowds?

Yes. The column-free modular design scales to thousands of visitors and is engineered for public-event use.

Can we print our brand or sponsors on the tent?

Absolutely — full-colour printing can be applied to roof and walls, turning the marquee into event and sponsor signage.

How quickly can it be set up?

The keder roof and quick-lock aluminum frame assemble quickly with basic tools, which is ideal for back-to-back festivals.

Is it weatherproof for all-day events?

Yes. The waterproof roof and UV-treated fabric handle sun and rain throughout the day.

Do you deliver to Ecuador?

Yes — we quote FOB, CIF or DDP and can arrange delivery to your city or event site across Ecuador.

What is the minimum order quantity?

Flexible — from a single module to a full festival fleet. Contact us for an exact quote.

Tell us your event type, preferred dimensions and quantity — our engineers reply within 24 hours with drawings, pricing and a shipping plan to Ecuador.
