

Caribbean Island Beach Wedding Aluminum Alloy Party Marquee Tent for Panama

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Tendars
- Certification: ISO 9001:2015, CE, SGS, TUV
- Model Number: AL-PMT
- Minimum Order Quantity: 1 Set (flexible; fleet orders welcome)
- Price: USD 2,200 - 16,000 / Set (by size & decor)
- Packaging Details: Frame packed in protective bundle; PVC cover in woven bag; linings/hardware in labeled carton; export-grade sea-worthy packing
- Delivery Time: 7-15 days for stock items, 20-35 days for production orders
- Payment Terms: T/T, L/C, PayPal, Western Union, Trade Assurance
- Supply Ability: 500 Sets per Month

Product Specification

- Frame Material: Hard-pressed Extruded Aluminum Alloy 6061/T6
- Hardware: Stainless Steel / Marine-grade Connectors
- Interior: 100% Clear Span, No Interior Poles
- Roof Cover: 850gsm Double PVC-coated Polyester, UV Treated
- Lining Options: Roof Linings, Drapes, Valances, Curtains
- Side Walls: PVC / Glass / Clear Panels, Removable
- Span Range: Custom 3m To 40m
- Wind Resistance: Engineered Up To 100km/h With Proper Anchoring
- Fire Retardant: DIN 4102 B1 / M2 / NFPA 701
- Color Options: White, Ivory, Black, Custom Pantone
- Warranty: Written Structural Warranty
- OEM/ODM: Available
- Highlight: Caribbean Island beach wedding tent,

Product Description

ALUMINUM ALLOY MARQUEE TENT MANUFACTURER · PANAMA MARKET

An elegant, salt-air-resistant aluminum marquee for Panama's island and beach destinations — Bocas del Toro, Guna Yala and the Pacific coast.

Salt-Air

MARINE-GRADE HARDWARE

CUSTOM LININGS

100%

COLUMN-FREE INTERIOR

6061/T6

CORROSION-RESISTANT FRAME

Overview

Panama's islands and beaches — Bocas del Toro, Guna Yala (San Blas), Coronado and beyond — are spectacular settings for weddings, but salt air, humidity and coastal wind destroy ordinary tents quickly. This **island and beach wedding aluminum alloy party marquee tent** pairs an elegant silhouette with a corrosion-resistant **6061/T6 aluminum frame** and marine-grade hardware, so it stays beautiful and strong season after season.

Roof linings, drapery and lighting transform it into a refined reception space, while the column-free interior gives planners complete freedom of layout — even on remote island venues.

Why It Suits Panama's Island & Beach Venues

Salt-air corrosion protection: aluminum frame and marine-grade hardware for island and coastal sites.

Wind-stable: cross-bracing and correct anchoring handle coastal and sea breezes.

Weather-ready: waterproof roof and UV-treated fabric for sun and tropical showers.

Elegant decor: linings, drapery and chandeliers install easily for a luxury look.

Transport-friendly: modular frame packs compactly for barge or boat access to islands.

Couples searching "*carpa para boda en la playa Panamá*" or "*carpa elegante para bodas*" are exactly who this tent is made for.

Product Advantages

Coast-proof: corrosion-resistant materials chosen for island and beachfront use.

Elegant: the graceful profile flatters every decor theme.

Column-free interior: clear space for seating, dancing and a stage.

Custom linings: create a luxury ballroom look under a tent.

Rental-grade durability: built for repeated coastal deployments.

Portable: modular packing suits remote island logistics.

Technical Specifications

Frame Material	Hard-pressed extruded aluminum alloy 6061/T6
Hardware	Stainless steel / marine-grade connectors
Interior	100% clear span, no interior poles
Roof Cover	850 g/sqm double PVC-coated polyester, UV treated
Lining Options	Roof linings, drapes, valances, curtains
Side Walls	PVC / glass / clear panels, removable
Span Range	Custom from 3 m to 40 m
Wind Resistance	Engineered up to 100 km/h with proper anchoring
Fire Retardant	DIN 4102 B1 / M2 / NFPA 701 compliant
Color Options	White, ivory, black, custom Pantone

Island & Beach Venue Logistics

Remote and island venues need extra planning. Our modular design makes it manageable:

- Compact, modular packing fits barge, ferry or small-boat transport
- Lightweight aluminum frame reduces the crew and equipment needed on site
- Marine-grade hardware and corrosion-resistant frame for salt exposure
- Anchoring options for sand, deck and rocky ground
- Quick assembly with basic tools — no heavy machinery required
- Optional linings and lighting shipped together for a complete setup

We can advise on a packing and logistics plan tailored to your island venue.

Typical Applications in Panama

- Island and beach weddings in Bocas del Toro and Guna Yala
- Resort and hotel outdoor events
- Quinceañeras and milestone celebrations
- Corporate retreats and galas by the sea
- Photo shoots and set locations

Customization & Decor Support

- Custom span, height and length to fit the venue
- Luxury roof linings, drapery and valances
- Glass, clear-panel or PVC wall combinations
- Doors, windows and sea-view openings

Flooring, staging and atmospheric lighting
Branding and printed graphics for corporate events

Why Trust Us — E-E-A-T at a Glance

Choosing a marquee supplier is a long-term decision. Here is exactly how we earn the trust of event companies, rental firms, expo organizers and project contractors across Latin America.

Experience — over 10 years, 1,000+ delivered projects

More than 10 years of dedicated aluminum marquee manufacturing, with a senior engineering team averaging 8+ years of tent structure design.

1,000+ events and projects supplied worldwide, including tents now operating in Panama and across Latin America.

Wedding planners and resort operators in Panama rely on our marquees for premium island and beach celebrations.

Expertise — engineered, not just assembled

In-house structural calculations for wind and snow loads; frame profiles stress-tested before release.

Custom CAD drawings and 3D renderings issued for every order so you can approve before production.

Engineers who understand event logistics, sea freight and site installation.

Authoritativeness — certified and standard-compliant

Quality system certified to **ISO 9001:2015**; products tested to **CE, SGS and TUV** requirements.

Fabrics and components compliant with international fire-retardant standards (DIN 4102 B1 / M2 / NFPA 701).

A regular exhibitor at international sourcing fairs and a verified platform supplier.

Trust — transparent from quotation to after-sales

Real factory, real people: video factory tour and live production photos available on request.

Third-party inspection and pre-shipment QC report issued for every batch.

Written warranty, readily available spare parts and a Spanish-friendly after-sales team.

Aluminum vs Steel vs Pop-up Tents

Not all event structures are equal. Here is why an aluminum-frame marquee is the better long-term choice than steel or cheap pop-up tents:

Weight & Handling	Aluminum frame — lighter, faster to transport and erect with fewer people
Corrosion	Aluminum — resists rust; ideal for humid and coastal Panama
Assembly	Keder roof and quick-lock joints — hours, not days
Service Life	Rental-grade aluminum — survives repeated setup and takedown
Customization	Any span, color, branded print and full accessory range
Resale / Rental Value	Strong — aluminum frames hold value across many seasons

What's Included in Every Order

Aluminum frame (6061/T6) with all connectors and hardware

Heavy-duty PVC roof cover (850 g/sqm, UV treated)

Side-wall options (PVC / glass / ABS / mesh, removable)

Illustrated assembly manual and install video

Spare parts kit and anchor set

Export packing and full shipping documents

Shipping & Installation to Panama

We ship to Panama regularly and understand the local import flow. Your goods can be delivered FOB to a Chinese port or CIF/DDP to a Panamanian destination (the country uses the US dollar), whichever suits your business best.

Main Panamanian Sea Ports	Balboa · Cristóbal · Colón (Zona Libre) · Manzanillo
Container Loading	Standard 20GP / 40GP / 40HQ; frame and covers packed separately to save space
Packing	Frame in bundle with protective wrap; PVC fabric in woven bag; hardware in carton
Lead Time	Stock items 7–15 days; production orders 20–35 days after deposit
Documents	Commercial invoice, packing list, B/L, certificate of origin, test reports
Installation Support	A decor-friendly assembly guide is included; Step-by-step manual and install video included; remote guidance available.

Frequently Asked Questions — Decision Support

Will the frame corrode in salt air?

No. The frame is aluminum 6061/T6 with marine-grade connectors, chosen specifically to resist island and coastal corrosion.

Can it be transported to an island venue?

Yes. The modular frame packs compactly and can be moved by barge, ferry or small boat, then assembled on site with basic tools.

Can the tent look like a luxury reception?

Yes. With roof linings, drapery, valances and lighting, it transforms into an elegant ballroom-style space.

Is it stable in coastal wind?

Yes. Cross-bracing and correctly specified anchoring keep it stable in coastal breezes, engineered up to 100 km/h with proper anchoring.

Do you deliver to Panama?

Yes — we quote FOB, CIF or DDP and can arrange delivery to your city or venue across Panama.

What is the minimum order quantity?

Flexible — from a single unit upward. Contact us for a tailored quotation.

Tell us your event type, preferred dimensions and quantity — our engineers reply within 24 hours with drawings, pricing and a shipping plan to Panama.
