

Luxury Overwater Beach Wedding Aluminum Alloy Party Marquee Tent for Maldives Resorts

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Tendars
- Certification: ISO 9001:2015, CE, SGS, TUV
- Model Number: AL-PMT
- Minimum Order Quantity: 1 Set (flexible; fleet orders welcome)
- Price: USD 2,200 - 16,000 / Set (by size & decor)
- Packaging Details: Frame packed in protective bundle; PVC cover in woven bag; linings/hardware in labeled carton; export-grade sea-worthy packing
- Delivery Time: 7-15 days for stock items, 20-35 days for production orders
- Payment Terms: T/T, L/C, PayPal, Western Union, Trade Assurance
- Supply Ability: 500 Sets per Month

Product Specification

- Frame Material: Hard-pressed Extruded Aluminum Alloy 6061/T6
- Hardware: Stainless Steel / Marine-grade Connectors
- Interior: 100% Clear Span, No Interior Poles
- Roof Cover: 850gsm Double PVC-coated Polyester, UV Treated
- Lining Options: Roof Linings, Drapes, Valances, Curtains
- Side Walls: PVC / Glass / Clear Panels, Removable
- Span Range: Custom 3m To 40m
- Wind Resistance: Engineered Up To 100km/h With Proper Anchoring
- Fire Retardant: DIN 4102 B1 / M2 / NFPA 701
- Color Options: White, Ivory, Black, Custom Pantone
- Warranty: Written Structural Warranty
- OEM/ODM: Available
- Highlight: **Luxury overwater wedding marquee tent,**

Product Description

ALUMINUM ALLOY MARQUEE TENT MANUFACTURER · MALDIVES MARKET

An elegant, salt-air-resistant aluminum marquee for the Maldives' world-famous destination-wedding and honeymoon market — water villas, sandbanks and private-island beaches.

CORROSION-RESISTANT FRAME

Overview

The Maldives is one of the world's leading destination-wedding and honeymoon destinations, with couples flying in from Europe, Asia and the Middle East to marry on its white-sand beaches and overwater decks. But salt air and coastal wind destroy ordinary tents. This **luxury overwater and beach wedding aluminum alloy party marquee tent** pairs an elegant silhouette with a corrosion-resistant **6061/T6 aluminum frame** and marine-grade hardware, so it stays beautiful and strong season after season.

Roof linings, drapery and lighting transform it into a refined reception space, while the column-free interior gives planners complete freedom of layout — and the modular frame fits beach, deck and sandbank venues.

Why It Suits the Maldives's Wedding Market

Salt-air corrosion protection: aluminum frame and marine-grade hardware for beach and deck venues.

Wind-stable: cross-bracing and correct anchoring handle coastal sea breezes.

Weather-ready: waterproof roof and UV-treated fabric for tropical sun and showers.

Elegant decor: linings, drapery and chandeliers install easily for a luxury look.

Deck & sandbank ready: modular bays and anchoring options for overwater and beach venues.

Couples and planners searching "*wedding marquee Maldives*" or "*destination wedding tent Maldives*" are exactly who this tent is made for.

Product Advantages

Coast-proof: corrosion-resistant materials chosen for beachfront and overwater use.

Elegant: the graceful profile flatters every decor theme.

Column-free interior: clear space for seating, dining and a stage.

- Custom linings:** create a luxury ballroom look under a tent.
- Rental-grade durability:** built for repeated island deployments.
- Private-island ready:** modular frame adapts to remote venues.

Technical Specifications

Frame Material	Hard-pressed extruded aluminum alloy 6061/T6
Hardware	Stainless steel / marine-grade connectors
Interior	100% clear span, no interior poles
Roof Cover	850 g/sqm double PVC-coated polyester, UV treated

Wind Resistance	Engineered up to 100 km/h with proper anchoring
Fire Retardant	DIN 4102 B1 / M2 / NFPA 701 compliant
Color Options	White, ivory, black, custom Pantone

Overwater & Beach Wedding Planning

- The Maldives' monsoon seasons and marine geography shape every wedding plan. Points to plan around:
- Drier north-east monsoon (roughly November–April) is peak for outdoor weddings
 - Wetter south-west monsoon (roughly May–October) needs waterproof covers, side walls and a backup plan
 - Beach, deck and sandbank venues call for marine-grade hardware and flexible anchoring
 - Private-island venues need a modular, boat-friendly frame
 - Linings, drapery and lighting turn a marquee into an elegant island reception hall
- We can help planners and resorts build a themed package for each venue type.

Typical Applications in the Maldives

- Destination wedding ceremonies and receptions
- Honeymoon and anniversary celebration events
- Resort and beach hotel outdoor functions
- Vow renewals and intimate ceremonies
- Photo shoots and set locations

Customization & Decor Support

- Custom span, height and length to fit the venue
- Luxury roof linings, drapery and valances
- Glass, clear-panel or PVC wall combinations

Doors, windows and ocean-view openings

Flooring, staging and atmospheric lighting

Branding and printed graphics for corporate events

Why Trust Us — E-E-A-T at a Glance

Choosing a marquee supplier is a long-term decision. Here is exactly how we earn the trust of resorts, hotels, event companies and rental firms across the Indian Ocean and beyond.

Experience — over 10 years, 1,000+ delivered projects

More than 10 years of dedicated aluminum marquee manufacturing, with a senior engineering team averaging 8+ years of tent structure design.

1,000+ events and projects supplied worldwide, including tents now operating in the Maldives and across the Indian Ocean region.

Wedding planners and resorts in the Maldives rely on our marquees for premium destination celebrations.

Expertise — engineered, not just assembled

In-house structural calculations for wind and rain loads; frame profiles stress-tested before release.

Custom CAD drawings and 3D renderings issued for every order so you can approve before production.

Engineers who understand event logistics, sea freight and island installation.

Authoritativeness — certified and standard-compliant

Quality system certified to **ISO 9001:2015**; products tested to **CE, SGS and TUV** requirements.

Fabrics and components compliant with international fire-retardant standards (DIN 4102 B1 / M2 / NFPA 701).

A regular exhibitor at international sourcing fairs and a verified platform supplier.

Trust — transparent from quotation to after-sales

Real factory, real people: video factory tour and live production photos available on request.

Third-party inspection and pre-shipment QC report issued for every batch.

Written warranty, readily available spare parts and English-speaking after-sales support.

Aluminum vs Steel vs Pop-up Tents

Not all event structures are equal. Here is why an aluminum-frame marquee is the better long-term choice than steel or cheap pop-up tents:

Weight & Handling	Aluminum frame — lighter, faster to transport and erect with fewer people
Corrosion	Aluminum — resists rust; ideal for the Maldives's salty marine air
Assembly	Keder roof and quick-lock joints — hours, not days
Service Life	Rental-grade aluminum — survives repeated setup and takedown
Customization	Any span, color, branded print and full accessory range
Resale / Rental Value	Strong — aluminum frames hold value across many seasons

What's Included in Every Order

Aluminum frame (6061/T6) with all connectors and hardware

Heavy-duty PVC roof cover (850 g/sqm, UV treated)

Side-wall options (PVC / glass / ABS / mesh, removable)

Illustrated assembly manual and install video

Spare parts kit and anchor set

Export packing and full shipping documents

Shipping & Installation to the Maldives

We ship to the Maldives regularly and understand the local import flow. Your goods can be delivered FOB to a Chinese port or CIF/DDP to a Maldivian destination, whichever suits your business best.

Main Sea Port	Port of Malé · Velana International Airport (MLE) for air freight
Resort Transfers	Onward seaplane / speedboat / barge transfer can be arranged for outer-atoll resorts
Container Loading	Standard 20GP / 40GP / 40HQ; frame and covers packed separately to save space
Packing	Frame in bundle with protective wrap; PVC fabric in woven bag; hardware in carton
Lead Time	Stock items 7–15 days; production orders 20–35 days after deposit
Documents	Commercial invoice, packing list, B/L, certificate of origin, test reports
Installation Support	A decor-friendly assembly guide is included; Step-by-step manual and install video included; remote guidance available.

Frequently Asked Questions — Decision Support

Will the frame corrode in the Maldives's salty air?

No. The frame is aluminum 6061/T6 with marine-grade connectors, chosen specifically to resist coastal and island corrosion.

Does it suit beach and overwater venues?

Yes. Corrosion-resistant materials and flexible anchoring options make it ideal for beach, deck and sandbank settings.

Can the tent look like a luxury reception?

Yes. With roof linings, drapery, valances and lighting, it transforms into an elegant ballroom-style space.

Is it stable in coastal wind?

Yes. Cross-bracing and correctly specified anchoring keep it stable in coastal breezes, engineered up to 100 km/h with proper anchoring.

Do you deliver to the Maldives?

Yes — we quote FOB, CIF or DDP and can arrange delivery to Malé or onward seaplane/boat transfer to your resort.

What is the minimum order quantity?

Flexible — from a single unit upward. Contact us for a tailored quotation.

Tell us your event type, preferred dimensions and quantity — our engineers reply within 24 hours with drawings, pricing and a shipping plan to the Maldives.
